

Committee OK Moves Fortas Fight To Floor

WASHINGTON (AP) — Abe Fortas' nomination to be chief justice won the approval of the Senate Judiciary Committee today, but still faced serious trouble in the Senate itself.

The committee vote was 10 to 6.

The battleground now shifts to the Senate, where a filibuster is threatened against confirming the nomination.

The outcome is in doubt. It takes a two-thirds majority of senators voting to choke off a filibuster by putting a debate-limiting cloture rule into effect.

Opponents, who include Republicans and Southern Democrats, claim they have the votes to keep the debate going and perhaps enough to defeat the nomination outright, which would require only a simple majority.

Fortas, an associate justice on the Supreme Court, was nominated by President Johnson June 26 to succeed Earl Warren as chief justice. Johnson accepted Warren's retirement effective on the confirmation of a successor.

Dirksen Helps

Opponents have based their attack on claims that President Johnson has no right in the waning days of his administration to make such an important nomination; that the President was guilty of "cronyism" in nominating an old friend; that Fortas violated the concept of separation of powers by advising Johnson while sitting on the high court, and that his decisions have helped the growth of pornography.

The controversy over Fortas' rulings on pornography cases prompted the introduction of legislation Monday to bar the Supreme Court from overturning jury findings of obscenity.

Republican Leader Everett M. Dirksen of Illinois offered the measure as an amendment to a bill now before the Senate to prohibit interstate mail order sales of shotguns and rifles.

A supporter of Fortas' nomination, Dirksen said no one is more concerned than he is over the circulation of obscene materials but "a solution will not be found by opposing the appointment of a chief justice of the Supreme Court."

Hunters Locate Child's Body In Island Monday

DRUMMOND ISLAND (AP) —State Police attempted today to positively identify the body of a child, found by two partidge hunters Monday near a fence row on Drummond Island, two miles from where a Detroit child was reported missing last June 16.

The tennis shoes found on the body appeared to fit the description of those worn by the missing Detroit lad, two-year-old Martin Gibbons Jr., State Police reported.

The family was contacted in Detroit after the discovery. More than 200 volunteers covered the island in Lake Huron in mid-June to search for the lad, who State Police said wandered away from his home. However, the search was discontinued when no trace was found of the boy.

The child was spending the summer on the island with his mother, while the father remained at work in Detroit.

Edward Bucht and Bill Fisher, two high school students who live on Drummond Island, found the body Monday southwest of the Gibbons' island home.

A State Police crew immediately went to the island from St. Ignace.

Litter Maids

DETROIT (AP) — Detroit's Department of Public Works has asked the city to provide for two uniformed litter maids to patrol the downtown area next summer, giving tickets to litter bugs.

Weather

ESCANABA AND VICINITY—Increasing cloudiness today, high 73. Occasional light rain tonight and Wednesday with little temperature change, low tonight 58. Yesterday's high was 71 and the overnight low was 62. South to southeast winds 10 to 20 mph. Thursday's outlook: cooler with a chance of occasional light rain. Precipitation probabilities: today, 20%; tonight, 40%; Wednesday, 50%.

School Board Slates Nov. 5 Millage Vote

Russians Keep Guns Aimed At Czechs' Capital

PRAGUE (AP) — Thousands of Soviet troops ring Prague with their big guns aimed at the city to keep pressure on Czechoslovakia's leaders.

The steel ring of Soviet artillery is evident to anyone traveling outside the now tranquil but sad city. Heavy cannon, rockets and missiles point at Czechoslovakia's capital from north, south, and east and west.

One military expert says there is enough artillery not only to destroy the 600-year-old city but to "overkill" it if shelling is ordered.

A short ride on the main highway east of Prague, a left turn toward the village of Dubec and there are 24 big guns set up in the alfalfa fields, their barrels pointed toward the capital. Twelve are lined up in a row to the right of the road; there are two groups of six on the left.

The guns appear to be 122mm cannon with a range of more than nine miles. Downtown Prague is less than eight miles away so these weapons could hit the presidential palace on the opposite bank of the Vltava River.

A mile or so farther are five batteries of multiple rocket launchers pointing at the city. The artillerymen live in tents near their weapons with ammunition and supplies stockpiled nearby. Estimates of the total number of occupation troops ringing Prague range up to 90,000.

One major demand, for renewed censorship of press and radio, is now being enforced. As a result, details are meager on the continuing talks between Soviet Deputy Foreign Minister Vassily Kuznetsov and the Czechoslovak leaders.

Overtime Pay

WASHINGTON (AP) —The House sent to the Senate Monday a bill to authorize overtime pay for an estimated 15,000 air traffic control specialists and airway facilities personnel.

Without the legislation, the employees would in some cases receive less pay for overtime work than for their regular assignments because of a cut-off in premium pay ceilings.

The estimated cost of the legislation is about \$2 million annually.

State Tax Take Beats Estimate

LANSING (AP)—Advocates of higher state spending will soon get a temporary shot in the arm when Gov. George Romney reveals that Michigan has a lot more money in the bank than earlier fiscal forecasts had foreseen.

In fact, it is likely Romney will announce sometime next week that the State Treasury's surplus when the current fiscal year began was more than twice as big as the \$24 million which had been predicted.

But at the same time, Romney is expected to warn that the extra money—most of it coming from the state's new 2.6 per cent personal income tax—will be needed for existing state programs and is not available for new or greatly expanded ventures.

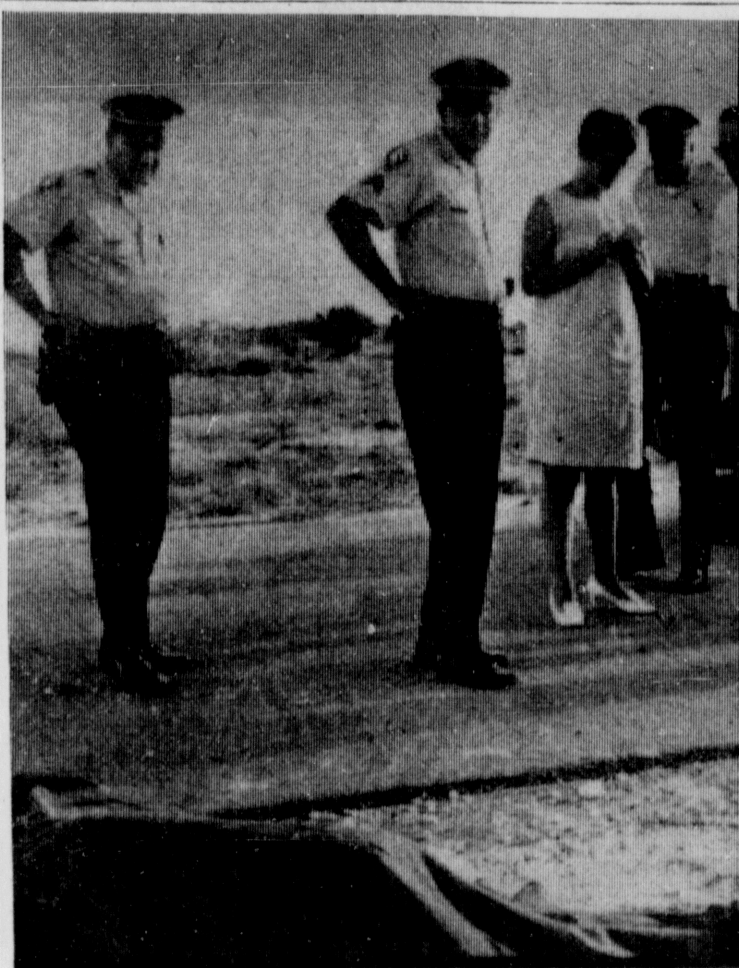

\$31 Million Higher

In fact, the executive office is known to be telling state agencies that Romney's budget next year will be a hold-the-line affair—bigger than this year's \$1.338 billion spending program of course, but smaller than many departments would like to see.

The official prediction last January was that taxpayers would part with some \$233.8 million to pay the next state personal income tax. Actually, informed sources say, the new levy exceeded the prediction by close to \$31 million.

In Romney's January budget message to the Legislature, he used the then-existing revenue predictions to forecast a June 30 budget surplus of \$24 million. Clearly, that forecast was extremely low.

The exact treasury balance won't be made public until Rom-

ROBERT JOHN ERLER, 24, the Hollywood, Fla., patrolman at left in this picture taken Aug. 12, has been charged with murder and is now in custody. This picture shows Erler and other police standing over the body of Marilyn Clark, 12, killed by five bullets in the head. Erler said he found the body. He resigned from the force Sept. 5 and a hunt began Saturday after Marilyn's mother identified Erler's picture and other police said he was the man who called "Please catch me, I killed." (AP Wirephoto)

Chrysler's Price Hike Blasted By Johnson's Aides

DETROIT (AP) — Chrysler Corp. announced a price increase on its 1969 models which was promptly blasted by White House economists as "a severe setback to the cause of price stability."

"If it (the price increase) becomes the pattern for the industry," President Johnson's Council of Economic Advisers said in a statement Monday, "it would cost the American consumer \$750 million."

Chrysler said the increases averaged \$84 or 2.9 per cent above the current manufacturers suggested retail price.

An Associated Press computation put the average price of Chrysler's 172 different 1969 models at \$2,917.44, an increase of \$128.11, or 4.4 per cent over

the average price of 160 1968 models which could be compared to the 1969s.

Chrysler said its figures were based on averages which give more weight to high-volume sellers than to less popular models.

Expected Criticism

In an apparent attempt to meet government criticism ahead of time, John J. Riccardi, Chrysler's group vice president for U.S. and Canadian automotive, included the following statement in his price increase announcement Monday:

"The government's own figures from the Bureau of Labor Statistics for July, 1968, show that new car prices have declined by 17.9 per cent in relation to all items included in the consumer price index, since the 1957-59 base period. These same figures also show that this is the best record on retail prices established by any major group of consumer products in the past ten years."

"These consumer price index figures certainly indicate that the automobile industry has done an outstanding job of exercising restraint during this period of ever-increasing labor and material costs."

In its statement, issued by committee chairman Arthur M. Okun, the Council of Economic Advisers said, "We urgently request the other automobile manufacturers to head off this dangerous inflationary threat. It is essential that their pricing decision on 1969-model passenger cars give the utmost weight to the public interest as well as to their own costs and profits."

Ford, General Motors and

Hanson Quits As President, Cites Health

The Escanaba Area Board of Education in a special meeting Monday night scheduled its sixth millage election and accepted the resignation of Board President Richard Hanson.

The millage proposal will ask approval of 4.9 mills for one year and will be considered by voters of the district at the Nov. 5 general election.

Supt. of Schools Luther M. Barrett said the action was taken in order to get the proposal on the ballot.

The deadline for submitting wording to the county clerk is today.

"In order for an issue to be placed on the ballot by petition, the petitions must be filed with the county clerk at least 61 days before the election," Barrett said. "However, the clerk must be informed of the wording of the question 49 days before the election if the Board of Education should initiate the action."

Deadline Cited

"Tuesday, Sept. 17, is the deadline for submitting the wording to the county clerk," he continued. "For that reason, the Board of Education took its action at last evening."

The Board of Education accepted Hanson's resignation with regret. There was no association between his resignation and the action on an election.

In a letter of resignation submitted formally today, Hanson said that his decision was prompted by the fact that his "health is being jeopardized and that I can no longer expose my family or myself to this and to the undue pressures, harassments and indignities to which they have been subjected."

"This reflects no displeasure with the board or its members for whom I have profound respect," Hanson said.

Board Divided

Hanson's resignation leaves the remaining six members of the Board of Education divided evenly on the issue of immediate restoration of bus transportation in the district.

In a meeting last week, Hanson voted with Trustees Ralph Kaziatek, Albin Pearson Jr. and Charles Tooman not to resume operation of the buses. Trustees Kenneth West, Dr. Donald Alimenti and Daniel Wellman favored immediate resumption of the bus program.

The present Board of Education must appoint a successor to Hanson within 30 days or the function will revert to the Delta-Schoolcraft Intermediate Board of Education.

There was no indication today of when an appointment might be made. The next regular meeting of the Board of Education is scheduled for Tuesday, Oct. 8.

Attorney Hired

In another development related to the district's financial and school bus crisis, the legal firm of F. M. Thrun of Lansing was retained to represent the Board of Education and Supt. Barrett in a hearing Friday on the suit initiated by Legal Services, Inc., to compel

MRS. WARREN HAYES of Columbus, Ohio, mother of Pueblo crewman Lee Hayes, 26, holds two pictures of her son which she said she recently received from the captured communications specialist. She showed the pictures Monday in her Columbus home and said that she and other members of the national "Remember the Pueblo Committee" hope to meet today with Secretary of State Dean Rusk in Washington. The Pueblo was seized by North Korea last Jan. 23. (AP Wirephoto)

Candidates Pledge To Clean Up Crime

By The Associated Press

Democratic candidate Hubert H. Humphrey, declaring "the riots will be stopped," has promised to forge a federal, state and local government attack on crime and civil disorder if he wins the presidency.

Republican candidate Richard M. Nixon, meanwhile Monday, said drug use is "decimating a generation of Americans" and proposed a program to halt drug traffic and rehabilitate addicts.

More Federal Aid

Third party candidate George C. Wallace said he will announce his vice presidential running mate in the next few days, and he said both the Republican and Democratic candidates

"are beginning to sound like me."

Humphrey's pledge to stop the riots came in a statement in which he endorsed 84 recommendations drawn up by his special task force and called for an "honest, clear discussion" of the crime and disorder problem.

"This is not a time for fear-mongering, slogans or empty promises," Humphrey said. "These tactics can only lead to national disaster."

Welcome Dissent

His program included federal funds for better paid, trained and equipped local police; "highly-trained, highly mobile units which can act immediately to stop civil disorders in their early stages," and federal law enforcement technique assistance teams to respond to local requests for help.

"We need not follow the path of blind repression and counter-violence which only tends to increase loss of property, loss of life and loss of control," he said. "But let me make it perfectly clear: the riots will be stopped."

"I welcome dissent, but not violence and destructive action which actually obstruct progress."

Nixon said in Anaheim, Calif., that his drug control program was prompted by an anonymous letter from a 19-year-old addicted girl who described the horrors of the habit and gruesome things done to support it.

Curse Of Youth

"Let us begin to face facts," Nixon said. "Narcotics are the modern curse of American youth. Just like the plagues and epidemics of former years, these drugs are decimating a generation of Americans."

He said he would try to triple customs agents to tighten border security against drugs, set up commissions with other nations to stem the flow, strengthen federal rehabilitation programs, begin a review of smuggling laws and bring together law officials to discuss ways of ending drug traffic.

Wallace was in Dallas for the Texas state convention of his American Independent party. He told a rally:

"I used to say there is not 10 cents worth of difference between the Democrats and the Republicans. Now I can say there is not 10 cents worth of difference between some of the things both of them are saying and I am saying."

Portuguese Dictator Reported Near Death

LISBON (AP) — Portuguese Premier Antonio de Oliveira Salazar, Europe's most durable dictator, was reported near death today but there was no indication of his successor.

A stroke hit the 79-year-old premier Monday as he was finishing lunch in his hospital room.

Until then, the man who has run Portugal and its overseas empire for the last 36 years had been reported recovering satis-

possible successors.

There were unconfirmed reports that 73-year-old President Americo Thomaz had convened the 15-man Council of State, which must be consulted by the president when he chooses a premier.

Salazar has made no discernible move to groom a successor, although the matter is of vast importance both for his nation of 10 million, struggling to catch up with the prosperity of the rest of Western Europe, and for Portugal's huge African territories.

Premier Rallies

LISBON (AP) — Premier Antonio de Oliveira Salazar rallied slightly today nearly 24 hours after a crippling stroke brought him near death. But his condition remained critical.

Salazar was taken to hospital from surgery Sept. 7 to remove a blood clot beneath his skull.

Hospital sources said Salazar's condition was hopeless. They said he was in a coma, with his left side paralyzed. One report said he was in an iron lung.

His chief doctor, neurosurgeon Antonio Vasconcellos Marques, declined to discuss Salazar's chances of survival.

Dr. Bissau Barreto, a long-time friend of Salazar, said at 4:30 a.m. today: "His condition is the same. Bad, very bad. But it is the same."

Salazar's confessor, Dominican Father Gregorio, went to the hospital Monday, arousing speculation that the last rites of the Roman Catholic Church had been given.

The average Portuguese finds it difficult to imagine his country without the austere, coldly analytical "Senhor Doctor." No man stands out clearly among some half a dozen considered

Today's Chuckle

The grass is a lot greener on the other side of the fence — but then again, your neighbor's water bill may be a lot higher.

Mortar Assault Kills 25 Marines

SAIGON (AP) — North Vietnamese troops caught a column of U.S. Marines as the Leathernecks were digging in for the night Monday, killed 25 and wounded 126 with more than 200 mortar rounds and a hail of small arms fire.

The Americans struck back with mortars, artillery and helicopter gunships. The Marines reported 27 of the enemy killed in the 10-hour fight four miles south of the central part of the demilitarized zone.

The Marines were from the 26th Regiment, the defenders of Khe Sanh who held out against a 77-day Communist siege last winter, and then abandoned that outpost. The casualties Monday were comparable to those on the worst days at Khe Sanh.

Three Hour Attack

The first North Vietnamese barrage pounded in at 3:30 p.m. just as the Marines were moving into defensive positions for the night, one of the most vulnerable spots troops can be in. The Marines apparently were caught before they could get their foxholes dug.

U.S. helicopters and artillery and mortars pounded the North Vietnamese positions, but the Communists kept up the attack until 6:30 p.m. More than 150 rounds were fired into the Ma-

rine positions before the barrage subsided.

Two hours later, the North Vietnamese renewed their mortar-barrage, and an hour later small arms fire crackled around the Marine perimeter.

The attack didn't end until 1:30 a.m. today.

The mortars apparently caused most of the Marine casualties, said a U.S. spokesman.

Aim At Rock Pile

A mile away from the 26th Marines' battleground, Marines from the 9th Regiment clashed with a North Vietnamese platoon of perhaps 40 to 50 men in fortified positions. Jet fighter-bombers and artillery pounded the positions until the enemy soldiers withdrew as darkness was approaching.

U.S. headquarters said 27 North Vietnamese also were killed in this fight. The Marines had no dead and seven men wounded.

A spokesman said that troops from the two Marine regiments are conducting sweep operations in close proximity to each other, trying to clear the area of North Vietnamese troops pressing along the central DMZ.

With Khe Sanh abandoned, there are indications that the North Vietnamese now plan to put heavy pressure on the Rock Pile, and perhaps lay siege to it.

State Bonding Plan Would Aid Escanaba

Michigan's proposed \$350 million bond issue to encourage anti-pollution measures and preserve and restore the clean water of the "water wonderland" would directly assist Escanaba in solving some of its sanitary sewerage problems, said City Manager George Harvey.

Looking to the needs of its future in disposing of sanitary wastes and in supplying the community with clean and safe water, the Escanaba City Council in September of last year

hired the consulting engineering firm of Black & Veatch to make a study of the needed improvements.

The actual construction of such facilities was recommended in two priority groups: immediate and deferred. Revised cost estimates for the immediate construction total \$4,750,000 and are broken down into \$2,100,000 (water) and \$2,650,000 (sewage).

"The problems of deficiencies in water and sewer pumpage, collection and treatment, are rapidly increasing toward the critical stage, and any increased population or industrial expansion will continue to magnify these problems," City Manager Harvey has advised the City Council.

"The key to solving at least a considerable portion of the increased financial require-

ments of the water and sewage improvements needed, appears to be the program enacted by the Michigan legislature, whereby a proposed \$350 million state bond issue that will be placed on the ballot at the November, 1968, general election," he continued.

"If the proposed state bond issue is approved by the voters, there will be benefits to the City of Escanaba," Harvey explained. These are:

- The state will have the necessary funds to allocate a grant to Escanaba of 25 per cent of the eligible portion of total costs of sewerage improvements needed.

- The bond issue also will provide for Michigan to prefinance a portion of the Federal share of the costs of the Escanaba program and includes financing a loan to the city.

- This would mean that on a \$2,650,000 sewerage improvement program, Escanaba would be in line for immediate assistance in grant monies up to 75 per cent of eligible portions of the project cost.

"Thus if \$2 million of the total cost of \$2,650,000 were eligible, it would mean that the city would be the recipient of grant monies to the extent of \$1,500,000 for the sewerage portion costs of the improvement project," Harvey explained.

The city manager said that he considered the proposed state bond issue "in the best interest of all of the citizens of our community." "Our need is urgent, and we foresee no other financial solution that is more practical than this."

The Council-appointed advisory committee on the water and sewerage improvements is expected to be helpful in bringing public understanding of the need for cooperative financing, and the passage of the state bond issue, Harvey advised the Council.

Chrysler's Price Hike Blasted By Johnson's Aides

(Continued From Page 1)

American Motors are expected to announce new prices for their new 1969 models within the next two weeks. Whether Chrysler's will establish a pattern remains to be seen.

Chrysler and Ford in 1966 and Chrysler in 1967 rolled back their first list of prices when GM, the giant of the industry, came up with smaller price increases.

Cites Higher Costs
Last September's final price increase for all the Big Three averaged over \$100 a car.

Chrysler cited increased labor and material costs as key reasons for the price boosts on the new car which go on sale Thursday.

Prices as released by Chrysler for the 1969 models did not include the seven per cent federal excise tax, dealer charges for handling and preparing new cars for customers, shipping charges and state and local taxes.

In addition to boosting the base price of virtually all of its 1969 line, Chrysler upped the prices of optional items such as power steering and radio by what it described as "generally the same percentage as the increase for new cars."

Briefly Told

State Police issued a traffic summons Monday to Walter McNally, 216 Stephenson Ave., for speeding.

The Palette & Brush Art Club will hold its first meeting of the year at 8 p. m. Wednesday at the Powers-Spalding High School. Anyone interested in joining the club will be welcome.

Boy Scout Troop 414 sponsored by the Teamsters Union Local 328 will resume meetings on Wednesday at 7 p. m. at the Teamsters Hall. Boys 11 and older interested in becoming Boy Scouts are invited to attend. Plans will be made for the Fall Camporee to be held Oct. 25-27.

Canton Hiawatha 48, Patriarchs Militant, will meet Wednesday evening, Sept. 18, at 8 in the Odd Fellows Hall. Nomination of department officers and other matters are slated for transaction. Members are urged to attend.

The Delta Camera Club will meet at 7:30 p. m. Thursday at the Chamber of Commerce building. Members should bring slides of summer and vacation activities. Coffee will be served.

National Power Grid:

Service Is Assured By U.P. Power Co.

The Upper Peninsula Power Co. through the "Nordic Interconnection" with the Wisconsin Michigan Power Co. is a step toward better and uninterrupted service, William L. Veesser, vice president sales, U. P. Power Co., told the Escanaba Kiwanis Club Monday noon.

Veesser was introduced by Jerry Sachinski, assistant engineer, Southern Division of the U. P. Power Co., and the meeting was conducted by William Mulvaney, Kiwanis president.

"Our industry learned much from the Northeast power failure in 1965," Veesser said. "This power failure also clearly revealed that systems and inter-ties between systems must have ample reserve transmission capability to supply power demands much in excess of normal load requirements," he continued.

Few Interruptions

"Human and mechanical failure as well as acts of God such as lightning and wind beyond human control may affect the operation of generating plants or power transmission lines," Veesser added. "We design and operate our systems to minimize these interruptions so that when power plants or transmission lines go out of service, automatic equipment feeds in energy from other lines, and the customer never knows of the disturbance. Such occurrences are frequent, but normally service is not interrupted."

"Emergencies that could cause a major interruption aren't rare on any system. Such disturbances occur many times a day, even on the Upper Peninsula Power Co. system, without the customer's knowledge."

"To cope with the problem of isolated power systems, the utilities interconnected and formed 12 area coordination groups to strengthen their systems," said Veesser.

"Some felt that what the country needed was new regulations or more authority granted to the state and federal commissions in order to prevent service interruptions. This is a great fallacy. What the industry needs is to continue building dependable systems, more solidly interconnected and coordinated on an area basis. This will be achieved by voluntary action which can assure its being done properly."

Accomplish Tie-In
"Although the Upper Peninsula Power Co. system has grown tremendously in the last

William L. Veesser

15 years and much has been done to bring better service to its customers, it has never had a major interconnection with the outside world. We have had emergency use interconnections with Wisconsin Michigan Power Co. and Edison Sault Electric Co. for years," Veesser reported.

"We have for years examined the possibility of a tie with Wisconsin Michigan Power Co., which is a subsidiary of Wisconsin Electric Power Co., who serve the Milwaukee area. This moment you are benefiting from a big step taken by Wisconsin Michigan Power Co. and Upper Peninsula Power Co.—the Nordic Interconnection. The project cost the two companies \$6,400,000 and is another investment for our customers. The money was spent for 120 miles of transmission lines and interconnection equipment, including a huge substation, as another step in our program to give you better service."

"The big 40,000 kilowatt, 138,000 volt interconnection means that in time of trouble the two electric utilities can help each other by transferring electric energy to the area that is in trouble. However, it should be recognized that while service may approach 100 per cent reliability as a practical matter, perfect uninterrupted service is not attainable. Such an objective, even if technically feasible would be economically prohibitive since it would involve essentially a duplicate of facilities to every house, store, or electrified establishment. Even if this were done, storms or other natural causes could still disrupt power supply facilities in a local area," Veesser said.

Power Rates

"The big Nordic interconnection, the first major two-way interconnection in the Upper Peninsula may mean savings in power costs as the utilities involved share in the cost of generating power including sharing in the cost of a single large power generating plant which is more economical of course, than a number of small generators. This is one way we can try to counteract the rising costs we are faced with in

U.P. Oat Harvest Delayed By Rains

LANSING (AP)—Rains kept the state's farmers from doing their field work all but some three and one-half days last week, the Michigan Crop Reporting Service said Monday.

Soil moisture supplies were considered adequate throughout most of the state. The Upper Peninsula reported excess soil moisture.

The oat harvest was behind schedule in the Upper Peninsula because of wet fields. Machines had to be fitted with dual wheels or tracks to get ahead with the harvest.

State Tax Take Beats Estimates

(Continued From Page One)

of money which the state's fiscal planners didn't officially guess would be around \$30 million more.

When the "windfall" is announced, many recipients of state appropriations — and certainly legislative advocates of more aid to public schools — will probably begin making plans to spend the extra money.

But Romney, looking ahead to next year's budget, is likely to stress that the money will be needed then.

Sources estimate that even a "hold-the-line" budget — with no new programs and no increases in support levels for existing ones — would require spending \$150 million to \$160 million more next year than is being spent in fiscal 1968-69.

This is because of so-called "built-ins" in the budget, which automatically increase each year. Examples are Medicaid, Aid to Dependent Children, and school aid.

The school aid appropriation depends on the number of children enrolled in the state's public schools. Since the number of pupils grows each year, so does state spending in the area.

If no new taxes are passed next year, and if revenue from existing taxes grows by no more than 6 or 7 per cent, as is predicted, the state wouldn't take in enough to even meet the built-in increase of around \$150 million.

Romney is expected to stress that point next week in urging that the new-found treasury surplus be held in reserve, and not spent on programs not currently in existence.

SUNNIEST STATE

Sunniest state in the Union is Arizona. The U. S. weather station at Phoenix has recorded an annual monthly average of 85 per cent of sunshine out of a possible 100 per cent.

JA Advisors Open Training

"Advisors are entering Junior Achievement both to teach and be taught," Gary Barton, chairman of Junior Achievement of Escanaba, told nine volunteer Junior Achievement advisors attending the opening session of the J. A. advisor training program at the J. A. Center last night.

Barton stressed the opportunity for advisors to develop their leadership abilities in working with the teenagers in Junior Achievement. "Your desire to show the teenagers of Escanaba the problems and rewards of the American business system and your willingness to give up your time to attain these ends is a constant source of inspiration to all of us associated with Junior Achievement," he said.

Following Barton's address of welcome, John Greis, program manager, began the actual training of the J. A. advisors.

Advisors for this year's J. A. program are Rudy Gustafson, Rune Ostlund, Emil Ogren, Edward Greis and Clarence Zeno from the Escanaba Paper Co., Kathy Berish and Jo Ann Karasti from the Northern Michigan National Bank; Mary Jo Marcoe from the State Bank; Ron Lindberg and Dean McNeely from Clairmont Transfer Co.

The second advisor training session is scheduled for Monday, Sept. 23.

Griffin, Hart Vote For Ban

WASHINGTON (AP) — Both Michigan senators Republican Robert Griffin and Democrat Philip Hart, voted against an amendment to the gun control bill which was defeated Monday 41-36. The bill proposed exemption of shotgun shells, rifle bullets and all 22-cal. ammunition from a ban on interstate shipments of ammunition to private individuals.

Stars also rise in the east and set in the west, as does the sun.

Wallace Voters May Aid Republicans In Michigan

LANSING (AP) — Some optimistic Michigan Republicans are hoping the third-party candidacy of former Alabama Gov. George Wallace will help them carry the state in the November general election.

Some pessimistic Democrats concede they may be right.

But others, from both parties, think Wallace's strength will fade as election day approaches, or that the effect of the Wallace vote will be nullified because he will attract Republicans and Democrats in roughly equal measure.

Meanwhile, one Democratic lawmaker says defections to Wallace can defeat him and another says he has changed his mind and decided the 1968 presidential race will wind up in the U.S. House of Representatives.

This set of contradictory expectations emerges from a recent series of Associated Press

interviews with 23 incumbent members of the State Legislature who are seeking re-election in November.

Republicans, with some exceptions, feel most Wallace support comes from voters who are normally Democratic. Many Democrats agree, though some also predict a near-even partisan split.

Draws Demo Votes
 "I think in the urban areas, particularly the industrial-type towns—Pontiac, Flint, perhaps Saginaw—the Wallace vote is going to be a very serious threat to the Democrats," says Rep. William Hampton, R-Bloomfield Hills, the House majority leader.

Hampton predicts up to 20 per cent of the regular Democratic voters may switch to Wallace in such areas. If half of them don't "come back" and vote for the rest of the Democratic ticket, he says, Republicans may pick up from two to four seats in the State House, where they now have a 56-54 edge.

He adds Wallace will not draw appreciable Republican strength. "I can pick out the most conservative areas in Oakland County and I don't find any Wallace support," Hampton says. "Some of these conservatives who would be included to vote for Wallace figure it would just be throwing their vote away, and they'll vote for Nixon."

Estimates Vary
 Estimates of Wallace strength by the legislators from around the state vary widely. Some say less than 10 per cent of the total presidential vote in their districts. Some say 20 per cent or more.

Senate Seat Of Beadle Sought By 11 Republicans

PORT HURON (AP)—A light turnout of voters was expected today in the special primary election to fill the vacancy created by Sen. Frank Beadle, R-St. Clair, who retired early this summer.

Eleven Republicans are seeking the GOP nomination for the post held by Beadle since 1951. Alexander Wnuk of Algonac, a Democrat, is assured of winning his party's nomination since no other Democrat filed. The winning Republican will face Wnuk Nov. 5.

The 28th Senatorial District includes St. Clair, Sanilac and Huron counties and all but three townships in Tuscola County.

Address Mixup

BRADFORD, Pa. (AP) — Howard L. Leichner thinks he lives at 39 Nelsendale Ave. in Foster Township.

The Post Office says he lives at 39 Nelson Road. But the street sign in front of his house says Phillips Road.

"I don't have trouble finding the house. I would just like to find out where I live," he told the township supervisors.

The township officials promised to pass an ordinance to straighten out his address.

"The local politicians here are saying up to 25 per cent," reports Rep. Richard Young, D-Dearborn Heights. "The lowest I've heard is 15 per cent. 'If he takes 15 per cent,' Young adds, 'I think I'd lose, because I imagine about 70 per cent wouldn't vote the rest of the ticket, and most of them are Democrats.'"

Some lawmakers think Wallace will get fewer votes than it now appears—because as the election approaches more voters will conclude that a vote for a third party candidate is a wasted vote.

Some think his vote will be surprisingly large — because

many voters who plan to support Wallace aren't admitting it.

Candidates Worried
 Some Democratic candidates say they are worried. Some say they aren't. But none of the GOP contenders interviewed feel the Wallace campaign will do them any harm.

"He'll draw much more from normal Democrats than Republicans," says Rep. Hal Ziegler, R-Jackson. "I don't find much Republican support—maybe a few real conservatives. I think a lot of people kind of like what he's saying, but they aren't going to vote for him."

"It's going to be heavier than

most of us would like to be," says Rep. Loren Anderson, R-Pontiac. "He's making some real inroads here. The large silent electorate hasn't said much up to now, but I feel their arm coming back on this one."

"I think he's getting to a lot of people," agrees Rep. James Tierney, D-Garden City, who adds Congress is "very apt" to decide the presidential race. "I didn't think so at first," he adds.

"Just Talk"

"I think a lot of it is just conversation," says Rep. Jack Gingrass, D-Iron Mountain. "When they get into that vot-

ing booth, they're going to stay with the party—I think." Rep. Edgar Geerlings, R-Muskegon, says he sees more Wallace bumper stickers in his conservative district than those of anyone else. But most of the Wallace backers, he adds, are Democrats. "The conservative Republicans," says Geerlings, "are sticking right with Nixon." Referring to the Goldwater campaign of four years ago which in Michigan brought a Democratic landslide and defeated him, Geerlings adds:

"If I were a Democratic candidate this year, I'd feel a lot like I felt in '64 as a Republican candidate."

Seek Toll Raise For Soo Bridge

SAULT STE. MARIE (AP)—The International Bridge Authority has applied to the Canadian Board of Transport for permission to raise tolls Nov. 1 on the bridge linking the Sault Ste. Maries of the United States and Canada. Failure of traffic to meet expectations is blamed.

One-way passenger car rates would be raised from \$1.25 to \$1.50; the round-trip rate hiked from \$1.80 to \$3.

Commuter ticket books providing \$1.20 round trips and good for 30 days would be abolished in favor of a 10-ticket commuter book selling for \$7.50, making the round trip rate \$1.50.

James E. Brophy of Detroit, authority chairman, said the toll increase is necessary to meet authority bond commitments. He said the increase had been recommended by Coverdale & Colpitts, on whose traffic forecasts original tolls were based.

Brophy said the authority had been able to meet interest commitments and bond redemptions thus far only through the use left-over construction funds.

With the State of Michigan now having guaranteed to meet any deficit, the Mackinac Bridge Authority is scheduled to reduce from \$3.75 to \$1.50 Jan. 1 the one-way trip for passenger cars crossing the five-mile Straits of Mackinac span joining Michigan's Upper and Lower Peninsulas.

Through an agreement between the Michigan Highway Department and the Ontario Highway Department, the Canadian Board of Transport is given authority over International Bridge toll rates.

CATHERINE BONIFAS CIVIC CENTER Custodial Duties

Proposals will be accepted for a contract on custodial services at the Catherine Bonifas Center, 225 North 21st Street, Escanaba.

Persons interested in this contract may notify Mr. Fran Lueneburg at Club 314 (786-3551) between the hours of 8:00 a. m. through 5:00 p. m., Monday through Friday, prior to September 20, 1968. Mr. Lueneburg will arrange for an inspection of the Bonifas Civic Center building and provide more detailed information for those wishing to submit a proposal.

Listed below is a general statement of duties:

1. Clean gymnasium (Community Room) with dry dust mopping of floor area.
2. Clean locker room, including sanitizing of floors and wiping down of shower stalls and locker room walls.
3. Clean all restrooms, disinfect toilet bowls and seats, disinfect handwashing bowls and urinals. Check paper towels, toilet tissue, and soap. Refill when necessary. Wet-mop restroom floors. Wipe down restroom walls weekly.
4. Clean game room and dance room with dry dust mopping of floor area.
5. Clean office with dry dust mopping of floor area.
6. Clean meeting room with dry dust mopping of floor area.
7. Clean snack bar and kitchen with dry dust mopping of floor area.
8. Clean all halls, corridors and lobby with dry dust mopping of floor area.
9. Empty wastebaskets and waste receptacles.
10. Empty and damp-clean ash trays.
11. Clean and service sand urns.
12. Strip, clean, refinish all floor surfaces (except gymnasium) according to need, depending on amount of traffic, the weather, the season, etc. The areas in most need of this service include the entrances, the lobby and the halls.
13. Clean and polish baseboards.
14. Remove scuff marks, heel marks, imbedded dirt, soft-drink stains, food, gum, urine stains, cigarette marks, etc., from floors and walls when necessary.
15. Dust all horizontal surfaces including sills, moldings, ledges, shelves, frames, ducts, heating ducts, pipes, ventilators, heating outlets, etc.
16. Wet-mop areas inside of entrances, lobby and halls daily during wet, inclement weather.

Proposals will be accepted for evaluation at the City Manager's office, City Hall, no later than September 23rd, 1968 at 5:00 p. m.

AFL Threatens Reprisals To All Aiding Rival Bloc

NEW YORK (AP)—The executive council of the AFL-CIO Monday warned its 14.1 million members they face suspension or expulsion if they join or support an alliance recently created by the United Auto Workers Union and the Teamsters Union.

In a prepared statement, the AFL-CIO council charged "Both of these organizations have engaged in raids against the membership of the AFL-CIO affiliates."

The council was critical of the new Alliance for Labor Action formed by the UAW and the Teamsters, who no longer are members of the AFL-CIO.

The alliance is an attempt to set up a rival organization to the AFL-CIO, the council contended.

The 1.8 million-member Teamsters union was expelled from the AFL-CIO in 1957. The 1.6 million-member UAW disaffiliated on July 1.

They have stressed that their alliance is not a merger, but an effort to organize the unorganized and push social programs.

Meeting in New York, the AFL-CIO executive council also charged that racial and religious prejudice figure in the campaign to block President Johnson's appointment of Abe Fortas as chief justice of the United States Supreme Court.

"We had hoped that America had put that sort of bigotry behind it forever," said the statement released during a recess in the council's closed two-day session here.

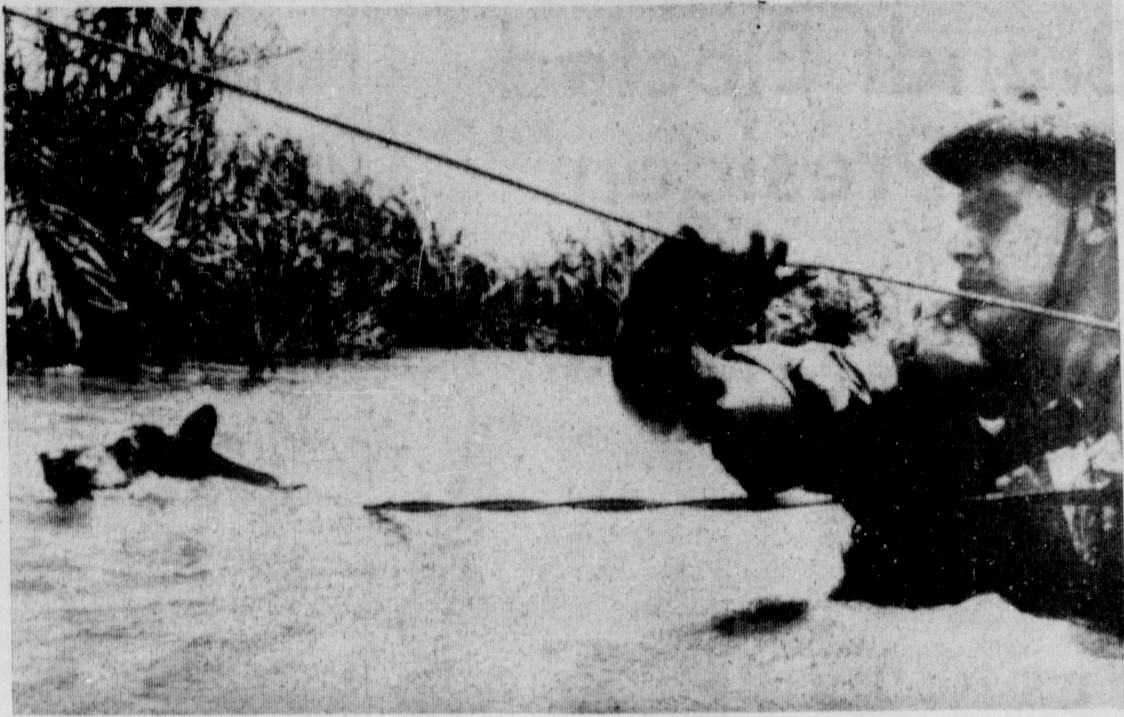

George Meany, president of the 14.1-million-member organization, told a news conference it was not valid to argue that Johnson should not appoint Fortas while in "lame duck" status.

If that were true, Meany said, "there are lame duck senators and they shouldn't be voting on this or any other matter."

Meany also said he would be "surprised" if the AFL-CIO's board did not endorse Democrat Hubert H. Humphrey for president when it meets on Wednesday.

He said Republican Richard M. Nixon's labor record is "bad, very bad." Organized labor will try to "educate" voters against both Nixon and third-party candidate George C. Wallace, Meany said.

"Whatever damage Wallace will do, he'll do more to the Republicans than the Democrats," Meany predicted.

A SCOUT DOG, fighting against a strong current, swims across muddy stream during operation west of Saigon. His handler uses cable to work his way across. Both are with a unit of the U. S. 199th Light Infantry Brigade patrolling inner perimeter of Saigon. Terrain is mostly muddy rice paddies and streams broken by an occasional village and treeline. (AP Wirephoto)

Horse Rescued From Dry Well

LYNNFIELD, Mass. (AP)—There's more than one way to rescue a horse that has fallen into a 12-foot-deep dry well.

While Caesar munched oats fed to him by his owner, 17-year-old Karl Kesting, other neighborhood youngsters filled buckets with gravel and their parents carried them to the well.

Two men distributed the gravel strategically in the well and gradually its level rose. Finally, after nearly five hours, the gravel was high enough and Karl with a bucket of oats lured the palomino out unscathed.

What A Smart Smoker Will Do

WASHINGTON (AP)—If you can't or won't stop smoking cigarettes, says the U.S. Public Health Service, here are five ways to reduce what it calls the perils:

- Choose cigarettes with less tar and nicotine.
- Don't smoke your cigarette all the way down.
- Take fewer draws on each cigarette.
- Reduce your inhaling.
- Smoke fewer cigarettes each day.

The advice is contained in a new pamphlet, "If You Must Smoke," issued by the health service on behalf of its National Clearing House for Smoking and Health.

Cancel Movie On Official Complaint

MIAMI BEACH, Fla. (AP)—They didn't show "Of the Same Gender" at the Roxy Monday after the state attorney's office complained the movie was obscene.

"It was a little rough in places," conceded theater owner Leroy Griffiths.

The title of the substitute film for today's patrons: "My Third Wife George."

JOB OPPORTUNITY FOR CITY OF ESCANABA

The Escanaba Civil Service Department announces an examination for the position of LINEMAN.

Salary up to \$3.62 per hour depending on experience.

Council Pushing Development Of Industrial Park

Looking forward to the full utilization of the Escanaba industrial park area, the City Council Thursday night acted to achieve relocation of power lines in the area to gain more usable property for industrial development.

The Council approved granting an easement to the U. P. Power Co. for a relocation of its lines within industrial park to serve the Community College campus.

City Manager George Harvey reported that negotiations with the Power Co. over the relocation of power lines is expected to bring to the city 26 acres of usable land. The Power Co. has agreed to reduce the area it requires for lines.

Thus the area available for industrial uses will be enlarged and the city manager said that he will prepare an estimate of cost for a proposed development plan.

In related action, the Council accepted a one-acre parcel of land from the Escanaba Foundation for city use of a future water tower site. The elevated water storage would assure adequate pressure to help serve the needs of the community. The Council expressed its appreciation to the Foundation for its cooperation.

The extension of water and sewerage service to the north city area will be given a hearing on assessment Oct. 3, after there were no objections raised to the improvement at the Thursday night meeting. The improvement is:

Sanitary sewer from 14th Ave. N. to the C&NW Railway right of way on N. 26th St.; and water main extension on

Resolution

Expressing shock and sadness at the accidental death of Wayne J. Kirkpatrick, a city employee, who died of electric shock on Friday, Sept. 13, the Escanaba City Council adopted a resolution Thursday night and addressed it to the family, including Mrs. Kirkpatrick and four children.

The resolution cited Mr. Kirkpatrick's services to the city and its people, and tendered heartfelt sympathy to the members of his family.

ty the need would have to be great for the Council to approve additional curb openings.

Adoption of a resolution authorizing a contract with the Housing and Urban Development agency was approved. It is the final action required to bring to Escanaba a grant of \$341,000 in federal funds to finance the community service center, which is an addition to the Banifas Civic Center.

Bids for the construction of the service center will be received on Sept. 27.

A policy for the use of the Catherine Bonifas Civic Center was adopted, with the Council indicating its concern that all

groups of citizens—particularly the senior citizens—were consulted on their needs and that provisions be made for their use of the new Civic Center. Club 314 and the Drop-In Center downtown will be closed when the Civic Center is opened.

Mayor Cecil B. Chase, member of the personnel committee of the Delta County Board of Supervisors, reported that the committee hoped a dog warden would be on duty today. If not, the vacancy will be filled shortly. The Council indicated the need for citizens to follow the state dog law in control of their pets, and that complaints in court could be made by citizens who felt the law was being violated.

City Manager Harvey reported on the progress in construction of the municipal airport terminal building, and said that delayed arrival of plate glass has prevented completion of the project.

The manager also reported the city is cooperating with the Escanaba Foundation in efforts to find a suitable industrial site for Don Anderson, building contractor.

The Council has been invited to meet with the Manistique City Commission, and a meeting has been tentatively scheduled for Oct. 28 there.

Liquor Employees Return To Work

DETROIT (AP) — Detroiters had something to drink a toast to today — reassurance that there will be something to drink a toast with.

Members of Local 1342 of the American Federation of State, County and Municipal Employees were expected to return to their jobs today at the State Liquor Control Commission's wholesale outlet in Lincoln Park for the first time since Sept. 5.

Members of the local walked off the job when they were unable to resolve difference on wages and fringe benefits.

Brandt Elected C-C President

Don Brandt is the new president of the Escanaba Area Chamber of Commerce, elected at a meeting of the Board of Directors at the Chamber building Monday afternoon.

Other officers are Don Breault, vice president, and James Schultz, treasurer.

Brandt, owner-manager of the Brandt Construction Co., is a member and officer of Project Pride, a group of public spirited citizens who spearheaded the construction of the Chamber building and the John F. Kennedy School for Retarded Children.

A native of Escanaba, Brandt was educated in the Escanaba Public Schools and the University of Chicago. He is a member of Bethany Lutheran Church and the Elks Club, and is a veteran of World War II.

Brandt is married to the former Jane Hillman of Gladstone and the family resides at 610 Lake Shore Drive. They have six children, Mrs. Claude Rose (Barbara), Green Bay; Raymond, manager of the Liberty Loan Corp., in Marquette; Dorian and Donald, who attend Bay De Noc Community College; Diane, a senior in Escanaba Area High School and Alfred, a 7th grade student at the Junior High School.

Serving with the officers on the Board of Directors this year are Arthur C. Arch, Frank Bourke, Merton Jensen, Richard Mareng, Irving Olsen, Percy Rosemurgy, Thomas Straebel, and the newly elected directors Robert Barron, Gary Barton, Dr. Donald Fitch, Donald Haapala and Don Wertz.

New members accepted at the Board meeting are Memory Lane Motel, assigned to Keith Cutler; Hiawatha Motel, assigned to Lyle Bell; and Bark River Concrete, assigned to

Don Brandt

Donald Van Enkevort. President Ray McDonough conducted the meeting.

The Board went on record as favoring Eastern Standard Time (or Central Daylight Saving Time) as the uniform time throughout the year, ignoring the national law of daylight saving time. This is the time that has been observed in Escanaba for the past 20 years. Clocks will be moved back one hour midnight, Oct. 26 which will be Central Standard Time.

Manager Walter Lewke reported that the Chamber office is registering rooms for the MEA teachers convention to be held in Escanaba Oct. 3-4. Each teacher will receive a rose from the Chamber's convention and greeters committee, a tradition for teachers conventions held in Escanaba for many years. "Welcome Teachers" placards will be displayed by local business establishments, and at the

Biafrans Hold Only One Town

LAGOS, Nigeria (AP) — The Nigerian army reported capture of the Biafran town of Owerri Monday, shrinking the rebel territory to 10 per cent of its original size.

The seizure of Owerri left Biafra with only one major town, Umuahia, the headquarters of the rebel chief of state Lt. Col. C. Odumegwu Ojukwu. Federal troops, pressing from the north and the south, were reported only 30 miles away in either direction.

Biafra, the former Eastern Nigeria, was 29,000 square miles on May 30, 1967, when Ojukwu declared its independence from the Nigerian federation.

It now has left approximately 3,000 square miles, into which some 6 million persons, mostly members of the Ibo tribe, have fled to escape the advancing federal armies. The Ibos believe the Nigerians are trying to exterminate them.

But despite the steady advance of federal troops, the Biafrans showed no inclination to surrender.

request of the MEA planning committee, local stores will be open until 9 p. m. Thursday night, Oct. 3, to allow teachers to shop.

The Board discussed the feasibility of the post office being moved out of the downtown area and its effect on the downtown businesses and Ludington St. in general. The Board expressed the hope that a downtown location could be found that would be suitable and acceptable to the post office department.

President Ray McDonough thanked the Directors for their cooperation during his term as president.

Iron Ore Tests Nearly Complete

BY LYNN BELLEFEUIL
PERRONVILLE—The Boyles Brothers Drilling Co. soon will wind up drilling operations for M. A. Hanna Mining Co.

Under the direction of Foreman Kirk Tucker, crews working around the clock are collecting ore samples from the Perronville, LaBranche, and Randville areas, continuing a program seeking ore suitable for beneficiation started over a year ago.

All test sites have been in Menominee or Dickinson counties, both a part of the Menominee Mining District. The Perronville-LaBranche tests have been made on Hanna property.

Excessive rainfall has hampered operations, making movement of heavy equipment difficult in the swampy test sites.

Terrain Important
The swampy terrain is an important economic consideration to possible mining operations, for drainage of the area will be necessary. The United States Geological Survey, a branch of the Department of Interior, erected a test well over an old drill site where the water head reaches nine feet.

Information gathered at the test well, including water pressure and volume, is used to calculate possible water table fluctuations in the event the area is drained. This gives an indication of whether local wells will be affected by water table reductions.

Despite the overabundance of ground water, holes are blasted to provide a continuous source of water for drilling. A station pump forces water through the drill string to cool the bit and remove the cuttings.

The Boyles Brothers Drilling Co., operating out of Salt Lake City, Utah, maintains drill crews in Alaska, the West and

Central United States, and South America. Foremen and drillers usually travel with the rig, with local men hired as helpers.

Wins Promotion
An exception is driller Dean Jacobson, Foster City, who was first hired on as helper in April and was promoted to driller in June.

Crew size reached a high of 10 when tests were being drilled simultaneously at Perronville and at the Groveland Mine in Randville.

Currently employed as drillers are: Dean Jacobson, Foster City; Bob Kesty, Cloquet, Minnesota, and Art Solberg, Sault Ste. Marie. Helpers: Terry Murray, Helps; Clayton Cook, Sault Ste. Marie, and Charles Zawacki, Perronville.

5 State Men Killed In War

WASHINGTON (AP) — Five Michigan men were among 99 Americans killed in action recently in Vietnam, the Defense Department reported Monday.

The victims include Army S. Sgt. Philip K. Baker, son of Edward J. Baker of Redford; Army Sgt. Larry L. Liskow, husband of Mrs. Carol B. Liskow of Battle Creek; and Army Spec. 4 Jon C. Jones, son of Mr. and Mrs. Jack F. Jones of Grand Rapids.

Others include Army Pfc. Leonard J. Liparote, son of Mr. and Mrs. Vito Liparote of Monroe, and Marine Corps Cpl. Richard T. Clark, son of Mr. and Mrs. Edward Gondek of Highland Park.

Negro General Leads Brigade

BINH CHANH, Vietnam (AP) — America's third Negro general says the Army has made "unbelievable" progress toward eliminating segregation.

The Army is not perfect, Brig. Gen. Frederic Ellis Davison told newsmen, but "I believe the opportunity is there. It isn't equal yet, but it's equalizing."

Davison, who led an all-Negro infantry company in World War II, stood at attention Sunday while the U.S. commander in Vietnam, Gen. Creighton Abrams Jr., pinned a brigadier general's silver star onto his collar. He is the first Negro Army general to lead an infantry brigade in combat.

In a small ceremony in an old fishnet factory, the headquarters of Davison's 199th Light Infantry Brigade, Abrams said, "In my judgment I know of no officer more deserving."

Davison, who arrived in Vietnam in November as deputy commander of the 199th, is considered one of Abrams' toughest commanders in the field.

Davison, a 51-year-old graduate of Howard University, got a reserve commission there in 1940 and eventually became the company commander of an all-Negro unit in Italy during the war.

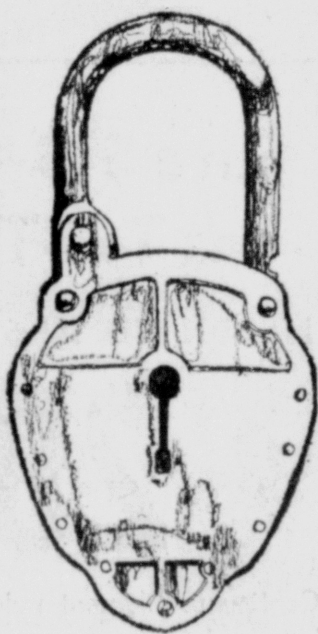

COL. FREDERIC E. DAVISON stands at attention as Gen. Creighton Abrams, the U. S. Army commander in Vietnam, pins the star of a brigadier general on his uniform Sunday in Binh Chanh. Davison is the third Negro in American history to achieve the rank of general and the first to lead an infantry brigade. (199th Light Infantry) in combat. His wife is a teacher in Washington, D. C. (AP Wirephoto by radio from Saigon)

Symbolic Wedding Planned For Two Killed In Accident

ALBANY, N.Y. (AP) — A rabbi says he will perform a symbolic wedding ceremony Wednesday for a young couple who were killed in an automobile accident.

Robert Kames, 21, of Catskill, and Martha Levine, 21, of the Bronx, had planned to be married in January. They died Sunday in an accident in New Mexico.

Rabbi Howard Joseph said the orthodox wedding ceremony will declare the couple united by the coincidence of their tragedy. "In a symbolic way, they will be united forever in death," he said.

The parents agreed to the wedding ceremony, he said.

Immediately after the marriage, the rabbi will officiate in the funeral services for the couple.

Low Road Bids

LANSING (AP) — Low bidders on 20 highway construction and improvement projects in 20 counties totaling \$2.98 million have been announced by the State Highway Department, all in the Lower Peninsula.

Hart Asks Aid In Trust Fight

WASHINGTON (AP) — Sen. Philip A. Hart, D-Mich., has renewed his appeal for Small Business Administration loans to finance private antitrust suits.

Hart, chairman of the Senate antitrust and monopoly subcommittee, said SBA had informed him in answer to a previous inquiry that private antitrust actions are considered a poor credit risk because of the high number that are unsuccessful.

Hart said the high cost of antitrust suits is limiting their number and frustrating a congressional policy to encourage enforcement of antitrust laws by private action.

In a new communication, Hart wrote SBA administrator Howard J. Samuels:

"When other loans are granted, the paramount question is: Based on this man's credit rating and financial condition, is there reasonable hope that we will be repaid? This, it seems to me, should be the main question confronting SBA when the loan is requested to finance antitrust action."

J. C. Penney, At 93, Still Active

NEW YORK (AP) — James Cash Penney, one of the nation's oldest and still active merchants, was 93 Monday and "I've never been so happy—I'm looking forward to being 100." Penney is the founder of the 1,700-store J.C. Penney Co. chain which had sales of \$2.75 billion last year. The company came into being at Kemmerer, Wyo., in 1902.

Penney and his wife, Caroline, were in Dallas, Tex., this week to celebrate his birthday with the H.C.S.C. Honor, Confidence, Service, Cooperation group—some 500 ex-Penney retirees. The active head of the retail chain attributes his company's success to "the application of the Golden Rule to every indi-

vidual, the public and all of our activities" and adds that despite the firm's growth "we haven't scratched the surface yet."

Penney, who lives in Westport, Conn., is a member of the company's board of directors and comes into his New York City office several days a week to work.

Suit Filed; Seats Fade Dirty Grey

GRAND RAPIDS (AP) — American Seating Co. of Grand Rapids has filed a \$250,000 federal court suit against three firms, including E.I. du Pont de Nemours & Co., in connection with alleged discoloration of orange plastic seats American Seating installed at the American League baseball stadium in Anaheim, Calif.

In the suit filed in District Court, American seating contends the seats "faded to a dirty gray color" and no longer are usable.

Federal Lands Payment Boost Asked By Ruppe

WASHINGTON, D. C.—In a letter to Representative W. R. Poage, chairman of the House Agriculture Committee, Congressman Phil Ruppe urged early consideration for his bill to provide minimum payments to local jurisdictions for federal forest lands.

In his letter, Ruppe pointed out that the Public Land Law Review Commission, which is undertaking a comprehensive study of federally owned land in relation to local tax needs, will not make its report until 1970. Ruppe stated that while he fully supports the Commission, we badly need interim legislation.

Present law calls for payments to state and local governments of 25 per cent of

revenues derived from federally owned land. The Ruppe bill sets a minimum payment of either 25 per cent of revenues

AMVETS Present Award To LBJ

By The Associated Press
President Johnson has received a special Gold Helmet award from the American Veterans of World War II, which cited him as the first president "to care enough to send special messages to Congress on behalf of veterans." Amvet's regular award, the Silver Helmet, went to Johnson in 1960 when he was Senate majority leader.

derived or 25 cents per acre, whichever is greater.

Ruppe said the 1,734,779 acres of federal land in the 11th district has dangerously diluted the tax base of many of our hard-pressed communities. "Our local governments and school districts should not have to wait until 1970 or later," Ruppe wrote, "we need a fair interim measure on the books right now."

Rep. Ruppe has just received Forest Service figures for Fiscal Year 1968 (ending June 30, 1968) that show the 11th Congressional District received \$151,374 in National Forest Fund payments. The Ruppe bill would assure a minimum payment to the 11th Congressional District of \$433,699.

Women's Activities

Lemmer PTA Meeting Held On Monday

The Lemmer School PTA held its first meeting of the new season Monday evening at the school, with Mrs. Arthur Anderson, president, presiding. Room visitation was held prior to the business meeting.

Mrs. Anderson introduced the PTA officers who will be working with her during the year as follows: Mrs. Paul Larson, first vice-president; Mrs. Graham McNamee and Mrs. John Frost, second vice-presidents; Mrs. John Moore, secretary; Mrs. Wally Flath, treasurer. Council delegates are Louis Diedrich and Mrs. Glenn Williams.

The teaching staff was introduced by Principal Louis Diedrich. The membership voted to raise the PTA dues to 75c this year and also approved sponsoring the Halloween carnival with Mrs. Don Metor, chairman.

Mrs. E. C. Olson, library committee chairman, reported several new books have been received and stated that students will be helping with library work this year in addition to adult volunteer help. Volunteers are still needed and anyone interested is to contact Mrs. Olson.

The program for the evening consisted of a film showing from the Michigan Department of Health entitled, "Parents to Child About Sex." The room count was won by Miss Jacobson's first grade room.

Lunch was served at the conclusion of the meeting by the fifth and sixth grade mothers, with Mrs. J. Palmer, Mrs. C. LaVigne, Mrs. Henry Olson, Mrs. Ernest Guenette, Mrs. Conrad Paulson and Mrs. George Dunlap in charge.

THE ESCANABA NEWCOMER'S CLUB is sponsoring a bowling party for members and guests Saturday, Sept. 21 at the Holiday Bowl, beginning at 8 p. m. Following bowling the group will go to the Eagles Club for a buffet lunch and dancing. In charge of arrangements are, from left, Mrs. James Vicenzi, Mrs. Edward Beaman and Mrs. Frank Cervenka, chairman. Reservations may be made through Sept. 19 by calling 786-2015 or 786-9629. (Daily Press Photo)

Opera Season Opens With Nostalgic Note

NEW YORK (AP) — The Metropolitan Opera opened its 84th season Monday night with an old-fashioned—you could add mildewed—opera, and memories of an old rivalry between prima donnas.

Renata Tebaldi sang the title role in Francesco Cilea's "Adriana Lecouvreur." It's an opera hopelessly complicated and intrigue-filled, with broad romantic melodies like Viennese operetta songs, not very exciting and not very musical in between.

Dashing

The four principal singers all sang in the opera the last time it was done at the Met, six seasons ago. Franco Corelli looked dashing and ringingly sang the part Enrico Caruso sang the first time the Met did "Adriana Lecouvreur," on opening night in 1907.

Irene Dalis and Anselmo Colzani both sang well and made laudable attempts to act. Maria Callas attended the performance—her first time inside the Met at Lincoln Center—bringing back memories of her long, celebrated "feud" with Tebaldi. Once, the battle lines were drawn and every opera lover was passionately convinced that either Callas or Tebaldi was the greatest soprano. Echoes of those by-gone days were heard just before the curtain went up, when shouts of "Brava Maria" reverberated against shouts of "Brava Renata."

Nearly Gone

But Callas' voice was nearly gone the last time she sang at the Met, in 1964, and Tebaldi, though singing better than she did the last time she did "Adriana Lecouvreur" here, does not

Soo Hill PTA Meets Thursday

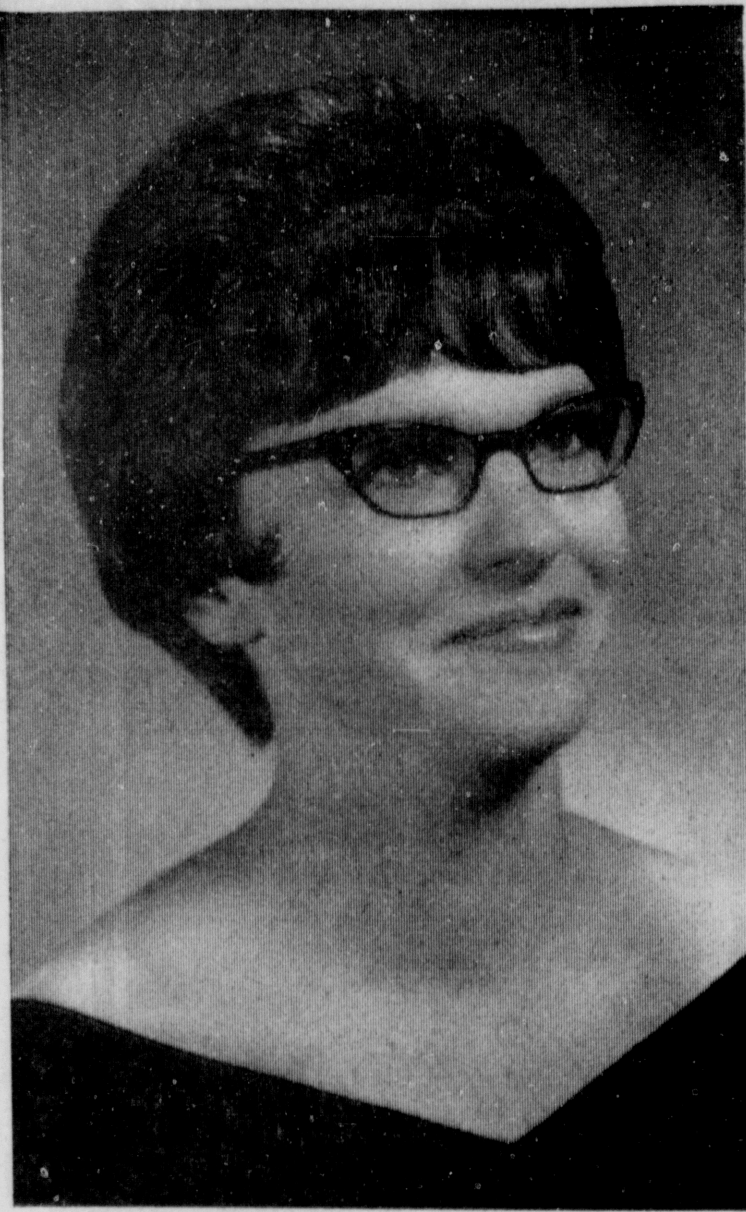

The Soo Hill PTA will meet Thursday at 8 p. m. at the school. There will be a brief business meeting and the teaching staff will be introduced by Principal Don Ellis.

A social hour will follow the meeting with lunch to be served by the PTA officers.

SHOWER CURTAIN CARE

To keep plastic shower curtains looking cleaner and fresher, wash them thoroughly by hand, then soak 15 minutes in a solution of ½-cup chlorine bleach thoroughly mixed with each gallon of cold water. Rinse well.

More people get more news from newspapers than all other sources combined.

MR. AND MRS. JOHN DLUGAS SR. of Bark River announce the engagement of their daughter, Lottie Marie, to Leonard W. Bjornson, son of Mr. and Mrs. William Bjornson of Norway. The wedding will take place Oct. 19 at St. George's Church in Bark River. (Gordon Nelson Studio)

Births

LaPALM — Mr. and Mrs. Duane LaPalm of Two Rivers, Wis., are the parents of a son, Brian Joseph, weighing 8 pounds and 1 ounce born on Sept. 14. Mrs. LaPalm is the former Joyce Walecka of Escanaba.

HOSE HINT

You'll avoid streaks in your nylon stockings and the moisture will evaporate evenly if you dry them on damp towels.

Immanuel ILCW Units Meet This Week

The regular monthly unit meetings of the Immanuel Lutheran Church Women will be held Thursday, Sept. 19 as follows:

BRAZIL, 9:15 a.m. — at the church, hostess, Eileen Boerschinger.

NEW GUINEA, 9:15 a.m. — at the home of Ila Carlson, Ford River.

HONG KONG, 1:30 p.m. — at the home of Barbara Gerdeen, Rte. 1, Escanaba.

INDIA, 1:30 p.m. — at the church, hostess, Olga Pascal.

JAPAN, 1:30 p.m. — at the home of Dora Thorsen, 1624 2nd Ave. S.

ZULULAND, 1:30 p.m., at the home of Carrie Johnson, Rte. 1, Escanaba.

COLOMBIA, 8 p.m. — at the home of Signe Moore, 1221 Stephenson Ave.

NIGERIA, 8 p.m. — at the home of Anita Young, Rte. 1, Gladstone.

Harmony Circle Meets Thursday

The Harmony Circle of the First United Methodist Church will meet at the church Thursday, Sept. 19, at 2 p. m. Devotions will be led by Miss Lura Brown with Mrs. Silas McMartin in charge of the program.

Future activities include a 12:30 p. m.; Church Women United Retreat at Presbyterian Point on Lake Michigan beginning at noon Sept. 30 to 2 p. m. Oct. 1. For reservations for the retreat, call Mrs. Donald Ness 786-0237 or 786-5151.

UCT Planning Golfing Party On Saturday

The United Commercial Travelers will begin their fall activities with a golfing party at the Highland Golf Club on Saturday, Sept. 21.

There will be golf tournaments for men and women with prizes for both and tee-off time is set for 2:30 p.m. A smorgasbord dinner will be served at 7 p.m. and there will also be guest prizes and entertainment.

Mr. and Mrs. Sherman Robinson and Mr. and Mrs. Anton Belongie are chairmen of the event and they will be assisted by Mr. and Mrs. I. R. Peterson, and Mr. and Mrs. Ed Harkins.

Reservations may be made through Thursday evening by calling 786-7855, 786-7763, 786-6141 or 425-3923.

DUTCH PRINCESS MARGRIET looks down upon her son, Prince Maurits, after the baby was christened at the Grote Kerk in Amsterdam last week. The princess is married to Peter van Vollenhoven. This picture was made by Dutch Court Photographer Max Koot. (AP Wirephoto)

Sharon LaCrosse, William Ryan Exchange Vows

Mrs. Shirley LaCrosse, 1415 1st Ave. N. and George LaCrosse of 1328 N. 19th St. announce the marriage of their daughter, Sharon Ann, to William Ryan, of Fond du Lac, Wis.

The ceremony took place Sept. 7 at 2 p.m. in Fond du Lac. After a tour of points of interest in Wisconsin and Illinois, the couple arrived to spend a few days with the bride's family.

On Saturday evening, Sept.

14, the newlyweds were guests of honor at a reception at the home of the bride's sister and brother-in-law, Mr. and Mrs. Gary Sidbeck, 802 S. 17th St., with fifty guests attending.

Mr. and Mrs. Ryan left Monday to return to Fond du Lac where they will reside at 75 W. Cotton St.

Mrs. Ryan is a graduate of Escanaba Area High School, class of 1960 and has been employed in Fond du Lac for several years. Mr. Ryan is employed at the International Paper Co.

CLASSIFIED ADS COST LITTLE BUT DO A BIG JOB

Women's Activities

Salvation Army Plans Family Night Social

The Home League of the Salvation Army will meet for a "Family Night Social," Thursday at 7:30 p.m. at the Salvation Army Headquarters.

The program will include musical selections by the Rev. Lowell Fox, Carol, Becky, Brad and Barry Larson, Glenn Butts and Cindy Evans. Guest speaker for the evening will be the Rev. Lowell Fox of the American Sunday School Union.

Refreshments will be served at the conclusion of the program and hostesses will be Mrs. James Olson and Mrs. Paul Larson. Everyone is invited to attend.

City Directory Canvass Begins

Mrs. Ann Roglie of Kansas City, Mo., representing the R. L. Polk and Co., directory publishers will be in Escanaba beginning today for five or six weeks to compile information for the 1968 City Directory.

A directory office will be set up at 710 Ludington St. and a publication date for the new directory will be announced at a later date.

Persons will be calling on city homes and businesses to ask names, occupations, employment, whether persons are homeowners or renters and telephone numbers of homes and businesses. There will be no embarrassing questions asked.

Bark River

PTA Meeting

The Bark River-Harris PTA will meet at 8 p.m. Wednesday at the school. Superintendent Gerald Rittenburgh and Principal Charles Pearson will address the group.

Events

Senior Citizens
The Senior Citizens will meet at 7:30 p.m. Wednesday at Club 314. Cards and dancing will follow the meeting. All members are to bring their own cups.

TOPS Club

The Be-Littlers TOPS Club will meet at 7:30 today at the Bark River-Harris Elementary School.

Rummage Sale

The Women of St. Stephen's Episcopal Church are holding a rummage sale from 10 a.m. to 4 p.m. Thursday and Friday in the garage at 1610 10th Ave. S.

Bridge Marathon

The Newcomer's Club bridge marathon is beginning a new season and anyone interested in joining either the intermediate or advanced groups is asked to call 786-3846 for more information.

Baker's Dozen

The Bakers Dozen Home Extension club will meet at 8 p.m. Wednesday at the home of Mrs. Jerome Cole, 1614 5th Ave. S.

Ford River PTA Meets Wednesday

The first meeting of the Ford River PTA will begin at 7:30 p.m. Wednesday with a dessert and coffee hour. Membership chairman Mary Wellman will be on hand to collect membership dues.

All parents in the Ford River area are invited to attend. Following the social hour President Mrs. Beverly Moraco will conduct the business meeting.

FOR HEALTHY PLANTS

Disinfect your flower pots before reuse to help prevent transfer of mold or disease from old plants to new. Wash pots thoroughly inside and out.

Religion Classes Begin This Week In Bark River

Religion classes for young people attending public high school began Monday, Sept. 16, at St. George Parish Hall. The weekly student paper, "Hi-Rime," will serve as the basic text. The Senior text is titled, "Horizon;" Juniors text is "Venture;" the Sophomore paper is named, "Challenge;" and the Freshman is "Awake."

A staff of teachers will assist the young people with their studies during the year. Leonard Veaser teaches senior boys and girls; Lee Mileski, juniors; Mrs. Gerald Sundquist, sophomores; and Mrs. Ivan Gagne, freshmen. Mrs. Leo Knauf and Mrs. Bernard Kleiman will serve as assistant teachers and the entire program is under the supervision of the pastor, Rev. Thomas Dunleavy.

Grade school classes in religion will begin Sept. 30 and Oct. 2. Because of the increased enrollment and excessive crowding in limited space, the grade school classes will be conducted on two afternoons each week.

On Monday afternoons at 3:45, the 3rd, 6th, 7th and 8th grades will meet under the direction of four sisters of St. Dominic from St. Thomas School in Escanaba. This group will include the First Communion and Confirmation classes. On Wednesday afternoons at 3:45, the 1st, 2nd, 4th and 5th grades will have classes.

THE ANDREW FISCHER FAMILY huddles around a backyard table at their home in Aberdeen, S. D., to watch Jimmie, only boy in the Fischer quintuplets sample their fifth birthday cake. Other quint, left to right are, Maggie, almost hidden by Maggie is Cindy, 3, Fischers youngest, Margie, Annie and Cathy. Circled around from left are the other Fischers, Denis, 9; Charlotte, 12; Mrs. Fischer; Julie, 11; Fischer; Dan, 13; and Evelyn, 10. Julie was 12 on Sunday, Charlotte will be 13 tomorrow and Cindy, 4 on Sept. 24, so the Fischers conduct mass birthday parties. (AP Wirephoto)

GLADSTONE

Wilfred Lucier Dies Sept. 6

Wilfred (Ted) Lucier, 58, a former Gladstone resident, died Sept. 6 in a hospital in Longview, Wash.

He was born June 29, 1910 in Trenary and came to Gladstone with his family in 1912. He resided in Gladstone and attended All Saints School. In 1936 he moved to Longview and has made his home there until his death.

Mr. Lucier was a member of St. Rose Catholic Church in Longview, the Longview Eagles and the Machinist Union, and a former member of the Longview Elks and Moose Lodge. He was a part owner of the Longview Alignment Service before his retirement, about four years ago.

He is survived by his widow, the former Audrey Minnick, one son, Theodore, of Longview, three daughters, Mrs. John Bogdan and Mrs. James Jaquest, of Castle Rock, and Mrs. M. D. Moore, of Longview; 14 grandchildren; his parents, Mr. and Mrs. William Bouchard of Gladstone, two sisters, Mrs. Charles Beck and Mrs. John Hillewaert of Gladstone; three step-sisters, Mrs. Art Mineau, Marquette, Mrs. Oliver Haga and Mrs. Gus DeHooghe, Gladstone; and one step-brother, Lawrence Bouchard, also of Gladstone.

Funeral services were held Sept. 10 at St. Rose Catholic Church with the Rev. Gordon Douglas officiating. Burial was in the Longview Memorial Park.

Church Events

Ladies Aid

The Ladies Aid of St. Paul's Lutheran Church will hold a regular meeting in the church parlors Thursday at 2:30 p. m. Refreshments will be served by Mrs. Steve Trekas and Mrs. Fred Tagge.

How To Stretch Living Space

BREAKING THE RULES in home decorating helps expand room space for a young couple or a bachelor. A couple with tastes for a rich color palette and space saving in a contemporary mood (top) start with a wall-to-wall carpet in bronze gold fiber. A lemon yellow carpet inset outlines a dining area. As accents to set off terra cotta, mustard, earth browns, leaf greens and midnight blue is an antique Victorian wall hanging, a Beatle poster blown up as a mural and primitive Indian and Eskimo artifacts. Room was designed by Lawrence Peabody, A.I.D. Meanwhile, John Elmo, A.I.D., put together an inventive and comfortable pad for a swinging bachelor (bottom). The structural features are easy to duplicate. The long-haired shag carpet is in blue and lights recessed under the bed give a floating aspect. Down-to-earth is the headboard of rough Vermont barn siding. Recessed book shelves are white. The Art Nouveau screen at right is plexiglass.

Briefly Told

The Matinee Bowling League will begin their new season at 1:30 p.m. Wednesday at the Midway Lanes. Bowlers are still needed and anyone interested is invited to come on Wednesday.

The Women's Guild of All Saints Church will meet in the school multi-purpose room following Mass at 7:30 p.m. today. Plans for the Harvest dinner Sept. 29 will be made. Refreshments will be served by Mrs. Joseph Bergeon, Mrs. Ted Goetz, Mrs. Francis Roy and Mrs. Matt Gasperich.

The Basenji breed of dog cannot bark.

Bowling Notes

Women's Friday Night League The Women's Friday Night Bowling League elected Pat Menard as president at a meeting held Friday evening at Midway Lanes. Barbara Wolf was elected vice president; Henrietta Miller, Sgt. at Arms; and Gen. Kennedy, secretary.

Housing Project Ceremonies Set At Manistique

MANISTIQUE — The Senior Citizens Housing project for Manistique was approved Monday in Washington, D.C.

Sen. Philip A. Hart (D-Michigan) announced approval of the \$528,023 project in a telegram to City Manager Robert Noe.

Ground breaking ceremonies for the brick and glass structure which will include 24,485 square feet of living and service space, will be held Sunday at 2 p.m.

The site is on U.S. 2 across from the Michigan State Police post on a parcel of land 300 by 400 feet.

Noe said today that the final contract of sale documents for the U.S. Housing and Urban Development Administration (HUD) have been drafted so that Developers, Inc., Green Bay, Wis., can proceed with the contract.

Plan 35 Units

The three-story building will contain 34 one-bedroom apartments and a single two-bedroom unit. First floor plans call for a community room with kitchen, eight one-bedroom and two-bedroom units, an office,

public sanitary facilities, lobby, mailroom, incinerator room, laundry room and maintenance room.

Thirteen one-bedroom units, a lobby and janitor's closet will be on both second and third floors. An elevator and incinerator also are included in the plans.

Each apartment will contain a bedroom, ceramic tile bath with shower, living room, kitchen-eating area and storage closets. Each unit also will be equipped with a refrigerator, stove, telephone outlet, master television antenna and an emergency alarm system to be used in case any tenant requires assistance.

Model On Display

The project is the result of a cooperative effort by the city manager, city councilmen and the Housing Commission.

Housing Commission members are Stanley Carlyn, chairman; William Putvin, Franklyn Burgess, J. Ragner Carlson and Dino H. Tirole, commissioners, with Robert Noe acting as executive director.

Noe said that Sen. Hart, Sen. Robert Griffin and Congressman Philip Ruppe have been instrumental in assisting Manistique in obtaining the required federal approval.

Nichols & Barone, Green Bay, are the project architects. The public is invited to the ground breaking ceremony. A model of the project is on display at the city hall.

Bradley Opens Dental Office

Dr. G. W. Bradley

Dr. G. W. Bradley, a native of Sault Ste. Marie, has opened dental practice in Escanaba in offices at 1830 Ludington St.

Dr. Bradley received his degree from the University of Michigan Dental School in 1966 and practiced on Drummond Island for three months before entering service.

He comes to Escanaba with his wife, Pat, and two daughters, Annette and Barbara, from Washington, D. C. where he spent two years in the U. S. Air Force. Mrs. Bradley also is a native of Sault Ste. Marie.

Dr. Bradley is a 1960 graduate of Sault Ste. Marie high school and attended Michigan Tech University's Sault branch, now Lake Superior State College, for two years before transferring to the University of Michigan.

Texas Welcome Buoy Wallace

DALLAS, Tex. (AP) — George C. Wallace, plagued by a nagging virus but buoyed by a rousing welcome to Texas, today addresses his third party's state convention whose delegates aim to put 25 electoral votes in his column Nov. 5.

All 92,000 persons who signed petitions to get Wallace's name on the Texas ballot are eligible to attend the convention and state party officials expect a large crowd.

The convention's main business is to certify Wallace as the American party candidate, a legal requisite, but it also may draft a state platform for Wallace. Wallace said he intends to release his national platform "in a few days."

Romney OK's Capitol Plans

LANSING (AP) Gov. George Romney and a legislative committee on state construction reportedly have agreed on a plan for a new \$50 million capitol in Lansing.

The capitol complex will consist of three buildings—one for each of the three branches of government.

A rectangular prism structure will house the Legislature, and each of two smaller square form buildings will house the State Supreme Court and the Executive Office.

The three buildings will be located at the western end of a mall on the new capitol development area.

Lansing's present domed capitol is 90 years old and is located at the eastern end of the mall.

Legislative sources said that groundbreaking is planned for 1969.

Marines Honor Lost Comrades

SAN DIEGO, Calif. (AP) — About 1,000 men of the 27th Marine Regiment, just back from combat and cheered by overnight family reunions, march down Broadway today in honor of 290 comrades killed in Vietnam.

The 27th, sent off last Feb. 13 with a personal farewell from President Johnson, was the first American fighting unit to return its colors to the United States from Vietnam.

Some 5,000 Marines from nearby bases joined the veterans of fighting around Hue and Da Nang in the first major parade for returning troops since the end of the Korean War. The 27th was hustled to Vietnam to help blunt the Communist lunar new year offensive.

The 1,000 returnees are those who served the required 13 months of combat deployment within the last two years.

PTA Council Hosts Workshop Here On Friday

The Escanaba Area Council of the Michigan Congress of Parents and Teachers is hosting a workshop Friday, Sept. 20 from 2:30 to 9 p.m. at the Immanuel Lutheran Church in Escanaba.

Dinner will be served at 6 p.m. and invitations have been extended to Gladstone, Buck Eye, Bark River, Wells, Ford River, Pine Ridge, Soo Hill, Jefferson, Franklin, Washington, Webster, and John Lemmer PTA officers, delegates and members by Mrs. John Anthony, president of the Escanaba Area PTA Council.

She urges all the local units to take the opportunity to attend the leadership sessions offered by the Michigan District and State officers.

Mrs. Robert Ryde is chairman of the hospitality committee and Mrs. James Nault is in charge of the registrations. Reservations may be made by contacting Mrs. John Anthony, 786-7175.

ROBERT RYAN, American matador from Inglewood, Calif., is gored while making a pass on his knees at Tijuana, Mexico, bullring. Ryan suffered gash in his left leg and reportedly will be in a hospital for several days. (AP Wirephoto)

Senate Votes Ban On Ammunition By Mail

WASHINGTON (AP) — Senate backers of stronger gun control laws have scored an important point by winning approval of a ban against the mail order sale of ammunition for rifles, shotguns and .22-caliber weapons.

The Senate voted Monday 41 to 36 to rebuff the Senate Judiciary Committee's proposed amendment to exclude the ammunition from the controls set out in the main control bill.

The vote came as the Senate started work on scores of amendments to the bill which, like one passed earlier by the House, bars the mail order sale of guns and ammunition to private persons.

Licensing Proposed

Still to be acted on is an amendment, turned down by the Judiciary Committee and the House, to require the registration of all guns and the licensing of their owners.

Under the proposal by Sen. Joseph Tydings, D-Md., states

could set up their own registration-licensing plans, but if they refused the federal government would do it for them.

Another major fight is due on a committee proposal to allow an individual to purchase a gun over-the-counter in a state adjoining his own. That also has been attacked as a weakening provision.

Another amendment critics said would weaken the bill was revised Monday to spell out that collectors wanting to buy, sell and ship guns have to be licensed on the same basis as dealers, with the secretary of the Treasury to specify what types of weapons they can deal in.

Committee Rebuffed

The bill as it went to the Judiciary Committee specified that it cover all ammunition. But the committee majority, including some opponents of any new gun-control legislation, revised it to exclude the shotgun, rifle and .22-caliber ammunition.

Sen. Hugh Scott, R-Pa., a committee member opposing the majority position, argued the proposed change would have exempted ammunition for 90 per cent of all firearms.

"It excludes from coverage ammunition of the type that killed President John F. Kennedy, Dr. Martin Luther King Jr., Senator Robert F. Kennedy and Medgar Evers," he said.

Hanson Quits As President, Cites Health

(Continued From Page One)

the school board to restore school buses.

Hearing is set for 10 a. m. Friday before Judge Bernard H. Davidson in Circuit Court at Marquette.

Barrett said today that the firm will appear for the board at the hearing.

Calling of the election by the Board of Education came after a meeting a week ago at which the board requested petitions to be circulated asking for another vote on school millage.

Although petitions are now being circulated, the Board took action in advance of the filing of the petitions because of the election law deadline.

The members of the Board of Education expressed gratitude to persons who have been circulating petitions.

The wording of the ballot proposal will be: "Shall the limitation on the total amount of taxes which may be assessed against all property in the Escanaba Area Public Schools, Delta and Marquette counties, Michigan, be increased by 4.9 mills on each dollar (\$4.90 on each \$1,000) of the assessed valuation, as equalized, of all property in said school district for the year of 1969, to provide additional funds for operating purposes?"

Sixth Election

The election will be the sixth by the Board of Education in an attempt to obtain additional operating funds. The five previous elections, including four this year, were defeated.

After defeat of the last proposal Aug. 19 the Board of Education voted cutbacks of over \$200,000 in the school program, including bus transportation to students residing in rural areas.

The elimination of buses has caused a storm of protest from rural parents.

The Board of Education indicated last week that if the election Nov. 5 was approved the buses would be placed back in service.

Hanson, who was elected to the Board of Education in June, 1967, is a resident of Wells Township. The person appointed to replace him would serve until June 30, 1969. A successor to complete the remaining two years of the term will be elected at the regular school election next June.

Three States Hold Primaries

By The Associated Press
Voters went to the polls in three states today to decide three Massachusetts congressmen's bids for renomination, renominate eight Washington congressmen and settle a congressional runoff in Oklahoma.

With campaign help from Sen. Edward M. Kennedy, Democratic Massachusetts Rep. Edward P. Boland sought renomination to challenge Charles V. Ryan Jr., former three-term Springfield mayor.

Democratic Rep. Torbert H. Macdonald seeks renomination over the Rev. John D. Elder, assistant dean of Harvard Divinity School, and Democratic Rep. Philip J. Philbin is challenged by three Democrats in his bid for renomination.

Four other Massachusetts congressmen were unopposed either in the primary or the Nov. 5 general election.

In Washington, Democratic Sen. Warren G. Magnuson and seven House members faced either token opposition or in three cases none at all.

In Oklahoma, Pat Malloy, a political veteran, and John B. Jarboe, a newcomer to politics, competed for the Democratic nomination to oppose Republican Rep. Page Belcher.

Hubert Woos Student Vote

BUFFALO, N.Y. (AP) — Vice President Hubert H. Humphrey deplored lawlessness on college campuses today, but said students should have a greater voice in university government.

"One of the important reasons for confrontations," Humphrey said, "is that students do not get enough of the university action."

Humphrey's comments were prepared for an appearance at Canisius College as part of a one-day campaign visit to this key state with the largest electoral vote.

The Democratic presidential candidate pledged that if elected he would push for several programs to employ the ideas and talents of America's young. Included was what he called a National University Forum to seek out ideas and transmit them first to candidate Humphrey and later, hopefully, to President Humphrey.

Obituary

PERCY THUNDER

Funeral services for Percy Thunder were held at 2 p.m. Monday at the Boyle Funeral Chapel in Bark River with the Rev. William Taylor officiating. Burial was in the Hannahville Cemetery. Pallbearers were Henry Philemon Sr., and Jr., Herbert, Raymond and Amos Meshigaud and Jake McCullough.

WAYNE KIRKPATRICK

Funeral services for Wayne J. Kirkpatrick were held at 2 p.m. Monday at the United Pentecostal Church with the Rev. Claude Davis officiating. Burial was in Gardens of Rest Cemetery. Military services were conducted by Chaplain Alfred Provencher of the American Legion. Pallbearers were Alan Hynes, Phil Charbonneau, Duane Hamelin, Kenneth Toushak, Modest Hurthibise and Ted Kleiman.

Munising Man Dies In Crash

MANISTIQUE — Sheldon Wayne Adair, 22, of Rte. 1, Munising, was killed early this morning when his car overturned on County R. 442 near the WITQ studios.

Adair was alone in the automobile and State Police said he apparently failed to negotiate a curve.

The victim was thrown from the vehicle and pronounced

dead at the scene of the accident by Schoolcraft County coroner Robert W. Broulliere.

The automobile — a small, foreign made convertible — was registered to Adair's brother-in-law, Robert Masters of Manistique. It was totally demolished.

Adair is the third traffic fatality in Schoolcraft County this year and all three fatalities have occurred within the past two months. Richard W. Price, 6, of Gulliver, was killed July 31 on U.S. 2 in Gulliver and Thomas Elliott died in a one-car accident on U.S. 2 on Aug. 18.

Adair, who had been visiting with his sister, Mrs. Robert Masters, W. Shore Dr., was born in Munising in 1946 and graduated from Munising High School in 1964. He was discharged from the U.S. Marine Corps as a corporal on Aug. 30 after four years service. For eight months he was stationed in Vietnam.

Survivors, in addition to his sister, include his mother, Mrs. Hilma Adair, Las Vegas, Nev.; four brothers and three sisters. The body was removed to the Bowerman-Hallifax Funeral Home in Munising. Arrangements are incomplete.

Edw. Bawden Taken By Death

Edward (Jack) Bawden, 85, of 306 S. 13th St., died at 4:30 a.m. today at St. Francis Hospital.

He was born in Houghton, Jan. 31, 1883 and was an employee of the City of Escanaba for 38 years. He retired in December of 1950. Mr. Bawden was a member of Delta Lodge 195, F & AM.

He is survived by his widow, the former Emma Bernard of Escanaba; three daughters, Mrs. James (Ethel) Henry of Detroit, Mrs. Vincent (Jacqueline) Rappette of Carol's Corners and Miss Mildred Bawden of Escanaba, six grandchildren and four great grandchildren.

Friends may call at the Anderson Funeral Home from 4 to 9 p.m. Wednesday and Masonic services will be conducted at 8 p.m. Wednesday.

Complete funeral services will be conducted at 11 a.m. Thursday at the funeral home chapel with the Rev. Karl J. Hammar officiating. Burial will be in Gardens of Rest Cemetery.

Weathermen In Britain Lashed

LONDON (AP) — Britons denounced their weathermen today for failing to warn them of the three-day downpour that flooded huge areas of southeast England, caused three deaths and did millions of pounds worth of damage.

The floods covered hundreds of square miles, marooning families, isolating towns and villages and disrupting road and rail services.

Members of the House of Commons said that the meteorologists on Saturday gave no indication of the dangers ahead and said they would raise the matter in Commons.

The weather office chief, Dr. Brian Mason, protested: "We haven't got a computer sufficiently powerful to make an accurate forecast of the rainfall on a day-to-day basis."

Rain Monday night added a fresh threat to areas not already under water and hampered rescue operations by police and troops.

Thousands of people were evacuated from inundated homes and housed in temporary quarters.

The British Automobile Association said that almost every stream and river in southeast England was at danger level.

Producer Dies

LOS ANGELES (AP) — Paul Levitt, 41, who had produced television programs on the National Broadcasting Co. and once as an associate producer for the Columbia Broadcasting System, died Sunday after a long illness. At one time he produced the Tarzan series for NBC.

Webb Resigns Post In NASA

WASHINGTON (AP) — James E. Webb, who presided over America's entry into the age of manned space flight, is stepping down as head of a U.S. space program he believes ranks second to Russia's.

Webb announced his retirement Monday and said Dr. Thomas O. Paine, deputy administrator of the National Aeronautics and Space Administration, would become acting head of the agency.

President John F. Kennedy named Webb to head NASA in February 1961 when it had 17,000 employees and an annual budget of \$999 million.

Two and a half months later astronaut Alan Shepard rode a Mercury capsule to an altitude of 116 miles, marking the nation's first manned penetration of space.

Webb, who actually will leave his post when he turns 62 next month, steps out at a time when his budget is about \$3.8 billion and NASA employs 34,000.

Briefly Told

There will be an important meeting of the Fraternal Order of Eagles at 8 p.m. today at the clubrooms.

Robert Richards, 47, of 523 S. 10th St., pleaded guilty in Municipal Court on Monday to a charge of disorderly conduct and paid a fine of \$50 and costs of \$5.

The Silver Spur Saddle Club will meet at Kipling Hall Thursday at 8 p. m. Delegates to the Upper Peninsula Horseman's Association will be elected. All county members of the UPHA are invited. Plans also will be made for the weekend trail ride on the Whitefish Trail.

Escanaba police have issued traffic court notices to Arthur W. Rooley, Sault Ste. Marie, L. J. Williams, 1013 2nd Ave. N., Francis W. Couillard, Bark River Rte. 1, Ronald R. Sundstrom, Bark River Rte. 1, Patricia Ann Chasnis, Saginaw, Walter J. Sharkey, Wilson Rte. 1, and Ronald R. Okker, Kingsford, all for speeding.

JOB OPPORTUNITY FOR CITY OF ESCANABA

The Escanaba Civil Service Department announces an examination for the position of EQUIPMENT REPAIRMAN.

Umpires To Fight Firing By Cronin

CLEVELAND (AP) — Al Salerno and Bill Valentine, claiming success in their efforts to organize the 20 umpires of the American League, say they will fight their firing by Joe Cronin, president of the league.

The 35-year-old Valentine, bristling over the firing Monday, told The Associated Press,

Baudek Wins E.Y.C. Trophy

El Toro Intermediate Division racing came to an end Saturday with the final two races for the Escanaba Yacht Club trophy. Jon Baudek, with 11 demerits, finished in first place ahead of Jay Bradshaw, with 11.4 demerits, and Karen Hivala, 13.7 demerits.

The Junior El Toro Division has one more race scheduled, with the winner to get the Manning Trophy. Chris Shipman leads the list of racers at the present time with 22 demerits; followed by Jim Walch, 27 demerits; Lynn Zimmermann, 29.7 demerits; and Lynn Bean and John Van Brussel, 32 demerits. The third and final race is slated for Saturday morning, weather permitting.

The El Toro banquet is scheduled Thursday, October 19, at the House of Ludington and the young sailors will be awarded their trophies at this time.

Palmer Accepts Top Golf Post

QUINCY, Mass. (AP) — The Patriot-Ledger said Monday that Arnold Palmer, the first million dollar winner on the pro golf tour, will be named interim commissioner of the new American Professional Golfers, Inc.

In a story by golf writer Roger Barry, the newspaper reported that Palmer has agreed to accept the position until a permanent commissioner is chosen.

Palmer, who won the \$150,000 Kemper Open at Sutton, Mass., Sunday, announced his support of the APG in its bitter dispute with the PGA over control of the tournament tour.

"There's no doubt that we were released from our jobs because of our organizing activities," he said. The proposed union had the support of a majority of the umpires.

League officials confirmed the firing but denied that union activity was the cause.

Cronin denied knowing anything about an umpire's firing and said the two were fired because he was dissatisfied with their work.

"An umpire's union... it's all news to me," said Cronin. He said personnel changes had been planned for the end of the season — less than two weeks away — and "we decided to do it now."

"Salerno met with National League umpires Thursday night," Valentine snorted. "Friday, the cards were mailed to every American League umpire. Today (Monday) we were fired."

"... Eighteen years in this profession... you don't go sour overnight," he said.

Salerno, 37, said he was shocked by the firing.

"It was my turn to work the World Series," he said. "I thought that was what he (Cronin) was calling about."

"He asked how I was and about my flight out, then he told me my contract was not being renewed for 1969... that I was fired."

The two umpires said two telephone calls, seven minutes apart, notified Salerno that he would receive 10 days severance pay and Valentine 30 days.

"They said National League umpires, who 'have been organized for several years,' get from \$3,000 to \$7,750 a year more than AL umpires and 'are ahead of us in every department.'"

Salary scales were not disclosed.

The original plan had been to set up a separate organization of AL umpires, they said, but the NL umpires invited them to join them in an organization which would be called the Major League Baseball Umpires Association.

Asked about the possibility of an umpires strike, an attorney said it would be up to members of the proposed umpires association to decide whether they wanted to support Salerno and Valentine that way.

BOB BRICCO (32), former Holy Name griddier, runs into heavy traffic against Northwood Institute in Midland Saturday afternoon. Brizzo carried the ball five times for 31 yards and scored one touchdown in Northern's 63-0 rout of the Northmen. The Wildcats, riding an 11-game victory string, play Bemidji State at Marquette this Saturday. (NMFU Photo)

Buford's Grand Slammer Delays Pennant Wrapup

By The Associated Press

Norm Cash gave the Detroit Tigers a quick scent of the quarry they've been tracking for 23 long years. Baltimore's Don Buford postponed the Big Kill... but the Tigers can afford to wait another 24 short hours.

Cash smacked a two-run single in the first inning and a three-run homer in the second as the Tigers maulled New York 9-1 Monday night, assuring themselves of no worse than a tie for the American League pennant... which hasn't flown in Detroit since 1945.

Buford's grand slam homer and bases-empty blasts by Brooks Robinson and Boog Powell powered the second place Orioles past Boston 8-1 and kept them mathematically alive... but fading fast.

Rookie Rick Renick drilled a ninth-inning homer, giving Minnesota a 4-3 victory over California in the only other game on the AL schedule.

"I'm not sending Mayo any congratulations yet," said Baltimore skipper Earl Weaver after his club skirted elimination in its desperate pursuit of Mayo

Smith's runaway Tigers. "That's the way you play this game."

"We haven't given up hoping for a tie with them. We also have to think about holding on to second."

The Orioles, 10½ games off the pace, must win their remaining 10 starts while the Tigers lose their last 11 to force a pennant playoff. Detroit entertains New York and the Orioles are at Boston again tonight.

Weaver apparently has one eye on the oncoming Yankees, who moved into third place with a 10-game winning streak before running into a buzz-saw at Detroit.

Brooks Robinson pulled the Orioles even at Boston with a second inning homer and started the decisive fourth inning flurry with a single off loser Jan Lonborg. Elrod Hendricks' single, a walk and pitcher Tom Phoebus' infield hit broke the 1-1 tie before Buford unloaded into the right field bullpen for the second grand slam of his career.

Powell's leadoff homer and doubles by Robinson and Mark

Belanger gave Phoebus two more runs in the fifth and he brought his season mark to 15-14 with ninth inning help from Eddie Watt.

Renick's third major league homer, a leadoff shot off Sammy Ellis in the ninth, capped Minnesota's late comeback against the Angels.

Two errors by Jackie Hernandez in the fourth helped the Angels push over three unearned runs, but the Twins rallied for three in the eighth on two walks, Cesar Tovar's double, a wild pitch and Rod Carew's triple.

Tigers Keep Champagne Cool; Nab Pennant Tie

DETROIT (AP)—The Detroit Tigers are keeping their champagne cool for at least one more day, but when they do pop the corks Tiger heads may keep cool as well.

"We cinched a tie for it (the pennant) and you don't see everyone jumping around and raising hell," said Norm Cash, Tiger first baseman who drove in five runs with a single and a homer as Detroit crushed New York 9-1 Monday night at Tiger Stadium.

"We've been ahead all year, so it's not that exciting," he said.

The victory extended the Tigers' winning streak to seven games and stopped the Yankees' streak at 10. But more important, it moved Detroit to within one game of clinching their first American League pennant since 1945.

If second place Baltimore had lost to Boston the Tigers would have taken it all. The Orioles didn't cooperate and beat the Red Sox 8-1.

A giant cake greeted the Detroit players in the dressing room after the game with, "we've got pennant fever," iced on it. A television camera was also there, along with mobs of reporters prepared to witness the jubilation of a pennant-clinching game.

There's no doubt that day's coming, however, and Smith revealed he has had men scouting St. Louis.

The Cardinals locked up their second straight National League crown Sunday.

"We've had Rick Ferrell (Tiger vice president) and Frank Skaff (former interim manager) with the Cardinals for a little over a week," Smith said.

But in the meantime, the re-

lentless Tigers pounced on the Yankees for nine runs in the first two innings off the first two New York pitchers, to give John Hiller his ninth win against five losses.

Dick McAuliffe started the game by singling off starter Joe Verbanic's glove. Mickey Stanley was safe on a fielders' choice and McAuliffe slid safely into second.

Northrup singled to right scoring McAuliffe, then Willie Horton walked, filling the bases. Cash then singled in two runs. Freehan singled to drive in the final run of the inning, knocking Verbanic from the mound and sending in Steve Barber.

Barber didn't do much better, after retiring the next three men in the first the Tigers picked up five runs in the second. McAuliffe and Stanley walked; Northrup was hit on the arm; Barber threw wild to score a run, then Cash unloaded his three-run homer, his 22nd of the year.

The Yankees scored their only run in the sixth when Mantle beat out an infield single. Roy White doubled and Bill Robinson hit a sacrifice fly.

Cash, a consistent hitter lately, attributed his late season batting surge to his new open stance.

"I can see the ball better now," he said. "A thing like this could give me another 300 year." The Tiger first baseman led the league in 1961 with a .361 average but hasn't hit .300 since.

John Hiller went the distance. It was the tenth straight complete game for Tiger hurlers.

"Hiller's one of the few guys who can start and relieve both," said Smith. "This is the best he's done so far."

"I was just trying to throw strikes," Hiller said. Of Northrup's being hit on the right forearm, Smith said: "Yeh, it gave me a little catch. I asked him if he was all right and he said he was. That's why I left him in."

Northrup had ice on his arm after the game and said he didn't think it was broken.

"You like to keep playing when you get hit like that," he said. "If you don't use it it tightens up."

Cardinals Keep Regular Rotation

By The Associated Press
The St. Louis Cardinals may be building a National League dynasty but it looks more like a dictatorship.

Not content with having run away with their second straight pennant, the Cards are about to have their say in determining the rest of the standings, as well.

They move into San Francisco tonight for a three-game series with the runner-up Giants, who lead third-place Cincinnati by two games after Monday's 8-4

victory over the Reds. Chicago is 3½ games behind the Giants and Atlanta is five back.

Then it's on to Los Angeles for three with the Dodgers, who are battling Houston and New York for eighth place. After that it's back home for two games with seventh-place Philadelphia, which is trying to catch Pittsburgh and three with Houston.

In Monday night action, Los Angeles tripped Atlanta 6-0 and Pittsburgh trounced Philadelphia 6-1. St. Louis, Chicago, Houston and New York were not scheduled.

"The way it's planned, the pitchers will go in their regular rotation for the remaining 11 games—Bob Gibson, Ray Washburn, Nelson Briles and Steve Carlton," Red Schoendienst, manager of the Cardinals, said Monday night.

That means Gibson will work every fifth day, which will bring him right up to Oct. 2 and the much-awaited confrontation with Detroit's Denny McLain in the World Series opener.

"I'll leave it up to Gibson if he wants to sit out one start," Schoendienst added, "and I may pitch all the relievers in the last game. I'll also get some of the

regulars out for a few days. But the last four games I'll play them all."

Willie McCovey drove in four runs in San Francisco's victory over Cincinnati, which prevented the Reds from moving into a virtual tie for second place.

McCovey's two-run double highlighted a five-run rally in the seventh inning that gave rookie reliever Rich Robertson his first major league victory.

The slim crowd of 2,361, smallest in the Giants' San Francisco history, saw Willie Mays engage in a verbal altercation with two Air Force sergeants in the stands.

Mays had just made a running catch and was approaching the dugout in the middle of the fourth inning when he went after the two men. He was intercepted by Bobby Bonds and Manager Herman Franks and the sergeants were ejected from the park.

"All I said was, 'Nice catch; for a \$100,000 bum you're earning your money,'" explained Sgt. Jay Eash of the Alameda Air Station.

Bill Singer scattered nine hits and his two-run double capped a five-run uprising in the sixth inning that broke a scoreless tie with Atlanta as the Dodgers won for the 10th time in 13 games. Jim Lefebvre singled in the first run, Len Gabrielson doubled home the second and

Daugherty Wants To Beat Syracuse

EAST LANSING (AP)—Michigan State coach Duffy Daugherty is usually sentimental about his alma mater Syracuse.

But such sentiment will be suspended this Saturday when the Orangemen meet the Spartans at East Lansing for the season opener.

"Sure I feel nostalgia about my playing days there," said the MSU head coach. "I owe Syracuse a debt of gratitude. But as far as football is concerned, I want to beat them as much as anybody."

In a letter to the squad, Daugherty said, the Syracuse coaches mentioned the last time Michigan State played Syracuse, The Spartans thrashed them in 1952, 48-7.

So Syracuse will be out for blood in a try to even the score. Daugherty is convinced his Spartans definitely should be underdogs for this one. Syracuse had an 8-2 won and lost season in 1967. MSU ended up 3-7 won and lost, Daugherty's poorest year as head coach.

"They were No. 4 in the nation last year on defense and they have nine of their 11 defensive starters back," Daugherty said of Syracuse.

"On the offense, we are kind of in the dark on what to expect of them. But we know they are talking up sophomore Al Newton as a great-looking fullback."

Michigan State, by contrast, Daugherty said, has only two regulars returning from last season's defense—tackle Charles

Bailey and linebacker Ron Saul.

"The only other regulars returning are Al Brenner, who will play offensive end and also defense and Frank Waters, who will mainly play defense and also be a backup flanker back," said Daugherty.

"There will be a heavier burden than most years on our sophomores," Daugherty said. "A lot depends on how they come through. I can't remember when we've had a team with so few established players."

Senior Bill Faraco will start at quarterback with sophomore Bill Triplett as his alternate. Tom Love, a sophomore the coaches think has great potential, will be at tailback. Seniors Regis Cavender and Dick Berinski will alternate at fullback. Charlie Wedemeyer, senior from Hawaii, will be at flanker with Waters occasionally spelling him.

Daugherty particularly likes Berinski as a blocking fullback.

"With a fellow like Berinski ahead of him to make the holes, almost any runner should be able to go," Daugherty enthused.

"Faraco has a lot of poise and isn't easily rattled," the coach said of his quarterback.

This week, meanwhile, Daugherty said the team will be working on "togetherness — playing as a unit."

"We will be trying to put on the polish and get them playing as a unit," he said. "This is the week for putting everything together."

Purdue Ranked On Top Of Major College Poll

By The Associated Press
Houston and Georgia cracked into the rankings as a weekend of only limited warfare produced a thorough shakeup in The Associated Press' major college football poll.

The top three—Purdue, Southern California and Notre Dame—were about the only teams to escape the madcap shuffle from the preseason rankings.

Purdue attracted 14 of the 30 first-place votes and 584 points, while Southern Cal had eight and 536 and Notre Dame two and 488.

Houston, unmentioned in the preseason poll, leaped all the way to 11th after humiliating Tulane 54-7, and Georgia took over the No. 18 spot after a 17-17 tie with Tennessee that dropped the Vols from ninth to 12th.

Nebraska, only other ranked team in action over the weekend, remained 14th after a 13-10 last-minute victory over Wyoming.

Texas moved up a spot to fourth, trading place with Oklahoma, while Florida climbed a notch to sixth and Alabama moved from 10th to seventh.

Oregon State dropped from sixth to eighth, Ohio State

moved from 11th to ninth and Penn State fell two spots to 10th to round out the top 10.

Texas A&M slipped from 12th to 13th, Indiana from 13th to 15th, Minnesota from 15th into a tie with UCLA for 16th, Miami jumped from 20th to 19th and Louisiana State, dropped from 18th to 20th.

Arizona State, 17th in the preseason poll, and Syracuse, 19th, vanished from the ratings although neither has played a game yet.

The top 20 undoubtedly will undergo another shakeup next week, since three games this weekend match rated teams.

Oklahoma opens at Notre Dame, while Minnesota is at Southern California and Houston tests Texas.

Purdue has drawn a soft touch in its opener, Virginia, but the following weekend the Boilermakers face Notre Dame.

The top 20, with first-place votes and total points (points awarded for first 15 picks on basis of 20-18-16-14-12-10-8-7-6-5-4-3-2-1):

1. Purdue (14)	584
2. Southern Cal (8)	536
3. Notre Dame (2)	488
4. Texas (2)	388
5. Oklahoma	280
6. Florida	266
7. Alabama (2)	244
8. Oregon State	212
9. Ohio State	162
10. Penn State	148
11. Houston (2)	136
12. Tennessee	118
13. Texas A&M	116
14. Nebraska	106
15. Indiana	100
16. tie UCLA	
17. Minnesota	68
18. Georgia	62
19. Miami, Fla.	42
20. Louisiana State	32

Two Hit Trees To Avoid Deer

Two car-deer accidents were investigated by Michigan State Police over the weekend as well as three breakings and enterings.

Saturday at 11:30 p. m. Harry Sundling of Nahma swerved to avoid hitting a deer and went off the road and hit a tree. The accident occurred on County Road 497 in Nahma Township. No citations and no injuries were reported.

Harold Blowers of Portage, Ind. told officers he swerved to avoid hitting a deer also on County Road 497 and struck a tree. This mishap occurred at 9 p. m. Friday. No tickets and no injuries were reported.

A 30-foot house trailer was broken into and entered sometime during the week, state police said. The trailer is owned by Clyde Brooks of Atlanta and is presently vacant. Troopers said a rear window was forced open and the interior of the trailer was left very disorderly. An investigation is continuing.

Two cabins on the Sturgeon River, Delta County, were reported broken into and entered. Conservation Officers reported the breaking and enterings on Sunday to the Michigan State Police. Entry was gained by forcing doors on the cabins which belong to George Maniaci, Gladstone, and Norman Dahlke, Escanaba. Some sporting goods were reported missing. Investigation is continuing on both complaints.

Snagged Cohos Bring Fines To 19 Fishermen

Nineteen fishermen paid fines in Justice Howard Magoon's court over a five-day period for possession of snagged cohos. The fish were taken in Lake Michigan near Thompson and the arrests were made by officers of the Conservation Department.

Paying fines on Sept. 11 for possession of snagged coho were Fred J. Shastal, Oscoda, \$12.30; Robert A. Matthews, Flint, \$12.30; Brian L. Oumette, Marquette, \$12.30; Douglas E. Westcott, Rapid River, \$12.30; Gerald F. Spencer, Midland, \$12.30; William J. Mosier, Rapid River, \$12.30; Herman C. Schiebout, Grand Rapids, \$12.30; John A. Glaza, Bay City, \$12.30; and Vernon A. Ackerman, Menominee, \$12.30. Paying fines for speeding were Peter J. Vanderark, Ellsworth, \$17; John M. Perander, Detroit, \$27; Helena B. Metz, Lansing, \$17; Jack H. Sibbald, Sault Ste. Marie, \$37. In other cases: Thomas E. Burton, Gould City, too fast for conditions, \$12; William A. Goodman, Vancouver, Wash., improper parking, \$7; and John A. Lanier, Bronson, excessive noise, \$7.

Paying fines on Sept. 12 for possession of snagged coho were Bud Bonifield, Arbutus Ave., \$12.30; Carl F. LaLonde, 1st Street, \$7.30; Thomas R. Moreau, Gladstone, \$7.30. Timothy A. Bell, Rte. 1, driving left of the center line, \$7.

Paying fines on Sept. 13 for possession of snagged coho were David C. Goetz, Muskegon, \$12.30; Lester C. Ouradick, \$12.30; Arnold Stern, Menominee, \$12.30. Ben S. Wildman, Cedarville, Ohio, speeding, forfeited bond of \$10; Glen D. Pawley, 632 Michigan Ave., too fast for conditions, \$7; Jeffery R. Burnett, Sault Ste. Marie, speeding, \$12; Emanuel Thomas, Negaunee, speeding, \$12.

Paying fines on Sept. 16 for possession of snagged coho were Michael B. Brown, Dowagiac, \$12.30; Walter E. Carvieu, Marinette, Wis., \$12.30; Edward T. Linjala, Rock, \$12.30; William L. Grady, Flint, \$12.30. Ross G. Bates, Farmington, speeding, \$12; Karen M. Alatala, Bay City, speeding, \$22; Herbert F. Gilliam Jr., Kincheloe Air Force Base, no operator's license, \$12; Elizabeth M. Olson, Louisiana, non-stop, \$7; Timothy A. Bell, Rte. 1, careless driving, \$12; and Rodney J. Church Events

First Baptist
The Board of Deacons and Deaconesses will hold a business meeting Tuesday, Sept. 24 at 8 p. m. The Board of Trustees will hold a business meeting on Thursday, Sept. 26 at 7:30 p. m. at the church. "God's Promises" is the theme for the special program planned for the First Baptist Women's Missionary Society. The society meets every third Monday of the month at 7:30 p. m. at the church. All women of the church are asked to attend and should bring a Bible. Guests are welcome. For more information on the meetings or circle phone 341-5226. The First Baptist School Rally Day will be held Sept. 29. It is important that all students who plan to be members of the church school be present to have their names placed on the new register for 1968-1969.

MANISTIQUE

COMPACT HORSE reportedly is the first Palabella Miniature bred in the United States. The foal is the offspring of "Don Franco," a stallion that weighs 145 pounds and stands 30 inches tall, and "Robin's Girl," 120 pounds and 27 inches tall. "Timmy's Boy" poses in Monroe, Conn., with Windgap Farm owner Lawrence W. Baff; his two grandchildren Jeffrey and Lauren Charnow; and Timothy O'Shea (right).

Enlistees Hike Guard Numbers

Fifteen enlistments and one transfer have raised the strength of the 1st and 2nd Platoons, Co. D, 107th Engineers to 71 enlisted men and two officers in the local unit.

Cpl. William R. Gregory recently transferred from the 225th Infantry, Detroit, to the local unit and the following recruits will soon leave for six months National Guard training: Lane A. Blandford, James R. Brunet, Gregory R. Cheeseman, Eugene J. Gonsowski, Paul H. Gustafson, Gregory A. Kutha, Thomas A. Lager, Kenneth E. Litzner, Michael F. McCorry, Walter W. McNally, Richard G. Pawley, Kim R. Strawe, William R. Sullivan, Gary A. Thinglum, and Gerald Greenwald.

Last weekend's drill found the Guards busy at three different sites. At the yacht harbor they replaced new decking and back-filled the boardwalk with rubble. They hauled sand-fill for a road at the new State Park on Indian Lake and cut a fire line on Federal Highway 13 for the U.S. Forest Service. More work of this type is scheduled for next drill on Oct. 19 and 20.

The Manistique Guards are selling candy to raise money for expanded facilities at the Enlisted Mens Club at Camp Grayling.

Briefly Told

Cited by Michigan State Police on Sunday were Allen Johnson, Maurice, Ill., speeding; George Baker, Manistique, careless driving; Gary Lander, Manistique, careless driving; Donald Davis, Jr., Marinette, speeding; and Robert Miller, Manistique, driving on wrong side of road.

Parents of all teens to be enrolled in this year's CCD program are to meet tonight at 7 in the Parish Center. No student will be accepted in the religious education program unless his parent attends tonight's meeting.

Hospital

Admitted to the Schoolcraft Memorial Hospital on Sunday were Alice Mashino, Jolin Jessick, Johnnie Norman, Betty Holt, Florence Mattson, Marion Hewitt, and Mae Hyland. Discharged from the hospital on Sunday were Eleanor MacGregor, Dianna Roberts, Eva Caron and infant, and Millie Sellman.

'ANDY' SPEAKS OUT
PEORIA, Ill. (AP)—Charles Correll, 78, one half of the radio team of "Amos 'n' Andy" says "he's for Negroes getting out of the mess they're in, and I'd be glad to help if I could."

A bricklayer before he became "Andy" Correll, was born on Hancock Street in Peoria, visited his two brothers and a sister who still live in his hometown.

WGN in Chicago was the radio station where Correll and Freeman Gosden (Amos) got their start.

"We worked for two years for nothing just to get going," Correll said.

Legion Auxiliary Installs Officers

Officers were installed at last week's Sept. meeting of the American Legion Auxiliary held at the Youth Center.

Mrs. Martha Malloch, Senior Vice President, conducted the installation and welcomed the following officers for the coming year: Mrs. Vivian Hahne, treasurer; Mrs. Helen Hockstad, secretary; Mrs. Clara Whitman, chaplain; and Mrs. Margaret Peck, historian and sergeant-at-arms. Mrs. Hahne installed Mrs. Malloch as senior vice-president. Mrs. Gladys Mercier will be installed as president at a later date.

Committee chairmen for the year were announced and include Mrs. Martha Cool, Americanism and Activities; Mrs. Hahne, Rehabilitation; Mrs. Peck, Hospital; Mrs. Gertrude Stephens, Scholarship; Mrs. Malloch, Music and Child Welfare; Mrs. Mercier, Poppy and National Security; and Mrs. Hockstad, Membership and Publicity.

The Auxiliary will meet next on Oct. 9 with a Membership Dinner at the Youth Center at 6:30 p. m. The dinner will be potluck and members and guests should bring their own table service. All members are reminded to pay their dues early.

Schoolcraft County EVENTS AND NOTICES

The Mission Circle of the Bethel Baptist Church will meet Wednesday at 2 p. m. at the Allen cottage on Lake Michigan. A pot-luck lunch will be served. Those wanting rides are to contact Mrs. Wagner Carlson, 341-2669.

The First Baptist Golden Age Banquet will be held Thursday, Sept. 26 at 4:30 p. m. at the church. An excellent program and dinner has been planned.

The K. C.'s will hold a pot-luck supper Saturday at 7:30 p. m. A cocktail hour will be held at 6:30 p. m. Meat, potatoes, and vegetables will be furnished. Dancing will follow the dinner. Ladies are especially invited to attend.

The Germfask Methodist Church will hold a Harvest Auction Thursday at 7:30 p. m.

Wanted: Names and addresses of Schoolcraft County men serving in Vietnam. The Local VFW Post will try to send packages to all of these men. Leave information at the Surplus Store or mail to VFW, Box 305, Manistique.

The LCW of Zion Lutheran Church will hold a "Sewing Bee" on Tuesday, Sept. 24, beginning at 10 a. m., and conducting through the day, to work on quilts for Lutheran World Relief. Portable sewing machines are needed. A good attendance is desired.

K. C. Bishop Baraga will sponsor a Rummage Sale each Thursday and Friday from 1-5 p. m. at the Trudeau Store, 625 Deer St. Donations of articles will be appreciated and may be left at the store.

Daily Rummage Sale sponsored by St. Jude Circle in the garage of Mrs. William A. Norton, 121 S. 2nd St.

Presented as a Public Service Every Week By:

Tigers Win In Twilight Play

With season play over at the Indian Lake Golf and Country Club, Twilight League standings show the Tigers in first place with a 75.

The Dubbers are second with 69; Brassies in third place with a 64; and a three-way tie among King Pins, 19th Holes, and the Svenskas, all 61.

The bottom six include the Whiffers, 58; Pros, 58; Divot Diggers, 55; Drivers, 52; Barneys Badgers, 52; and the Gas House Gang, 47.

The top six teams will be feted at a dinner on Sept. 26 with the bottom six teams serving. This will be the final dinner-meeting of the year. Play for the 26th will be best ball foursomes.

Sept. 19 play will be one club and putter with a 50-cent entry fee for the day's tournament play.

Senior Citizens To See Movies

"Movie Night" at the Senior Citizens Drop In Center tomorrow night will feature two color films. "Patterned For Dining" is a 14-minute color film dealing with fine tableware in sterling, silverplate, and stainless steel. Sponsored by the Oneida Co. the film includes helpful hints on building a silver service and table etiquette.

"RX For Maryanne" is a 15-minute color film with dramatic overtones on the vital role played by prescription drugs in saving lives and relieving human misery.

The movies are free and an invitation is extended to all area Senior Citizens and their guests to attend the 7:30 showing. Refreshments will be served after the movies.

Personals

Miss Margaret Fagan of Kalamazoo is visiting her sister-in-law, Mrs. Russell Fagan, 416 Oak St. Weekend guests of Mrs. Fagan were her son and granddaughter, James Fagan and daughter Peggy of Livingston, and her daughter, Kathy Fagan of Dearborn.

BY OWNER: Three bedroom home with carpeted living room and stone fireplace, dining room, kitchen, paneled family room, 1 1/2 baths, lots of storage and two car attached garage. Beautiful landscaped yard near Country Club. Dial 786-7369.

COUNTRY LIVING JUST FOR YOU
Only 16 miles to this beautiful four bedroom home on five acres cleared with garden, lawn and pine trees. Large carpeted living and dining room, modern kitchen and bath. A real buy. To settle estate.

WE have some beautiful summer homes on inland lakes, with fireplace and the best sand beaches. In good hunting and fishing areas. Call for details.

DICK JUETTEN
REALTOR
1903 Ludington St. 786-4560

GLADSTONE Ranch Home. Three bedrooms, large living room, fireplace, utility, large attached garage. Call 786-1309.

"PLAYTIME" property for sale—100 ft. lot on Wilsey Bay, bound to be a good fishing area.

A very desirable lot on Corner Lake in the Chain of Lakes area. Beautiful cottage on the Escanaba River—new listing.

320 ft. lot on the Rapid River. Beautiful hardwood trees. Telephone and electricity available.

400 ft. on highway 41, just North of Rapid River. Very fine lot for permanent home or trailer.
